RECOMMENDATION:

It is recommended that the Board:

1. Approve final plans and specifications; and,
2. Advertise the date for receipt of bids as Tuesday, September 11, 2001, at 3:00 p.m. in the Board Room.

SUMMARY:

Submitted are plans and specifications for the Lanark Park - Sportsfield Lighting (#1240D), located at 21816 Lanark Street, Los Angeles, as prepared by Department of Recreation and Parks, Design Section.

The proposed construction involves the installation of two (2) 75 foot light poles, new circuit breakers and a remote control switch at the director's office. Construction is expected to start December 2001 and be completed February 2002 which is optimum because the baseball season starts in March.

The designer's estimate for construction is \$40,000.00. Funds are available for this project in the amount of \$50,000.00 from Quimby Funds. The construction period for this project has been set at ninety (90) calendar days.

Staff has determined that this project is exempt from the provisions of the California Environmental Quality Act (CEQA) per Article VII, Section 1, Class 1 and 11, Categories 4, 6, and 12 of the City CEQA Guidelines.

The bid package has been approved by the City Attorney's Office.

Prepared by Virginia Hatley, Project Manager.
