2. Direct the Board Secretary to transmit the approved revised Conflict of Interest Code Schedules to Council for review and approval.

SUMMARY:

The Department Conflict of Interest Code is a requirement of the Political Reform Act of 1974 (Proposition 9). The Code designates positions whose incumbents are required to file economic interest statements and specifically informs each designated employee of the types of economic interests which must be disclosed and the amount of disclosure required.

Incumbents of the positions listed on Schedule A (see attached) are required to file Statements of Economic Interest disclosing certain financial information. The newly designated positions are noted on Schedule A with asterisks. Disclosure categories are described on the Schedule B list.
