RECOMMENDATION:

It is recommended:

1. That, inasmuch as no objection has been received, the Board approve the substitution of subcontractor as requested; and
2. That H.G.M. Construction Corp. be accepted as framing subcontractors for the above-mentioned project.

SUMMARY:

The Department is in receipt of a request from Povac Investments, Inc, general contractor for the Eagle Rock Recreation Center - Childcare Center (#1628D), Contract No. 2953, to substitute its own forces for Hill Construction for the electrical subcontract work on this project. The request was made inasmuch as Hill Construction is engaged in other projects and is unable to continue work. Further, Povac Investments, Inc. has requested that H.G.M. Construction Corp. be accepted as the subcontractor to perform framing work which was originally to be performed by contractor.

Pursuant to Section 10.14 of the Los Angeles Administrative Code, Hill Construction was notified of the substitution request and has filed no objection.
