RECOMMENDATION:

It is recommended that the Board:

1. Accept the work performed under Contract No. 2987 outlined in the body of this report;
2. Authorize the Department's Director of Finance to release all retention monies 35 calendar days after acceptance by the Board of Recreation and Parks held under Contract No. 2987; and,
3. Authorize the Board Secretary to furnish Landshapes with a letter of completion.

SUMMARY:

The construction contract for the Hansen Dam Recreation Area - Equestrian Trail (#1238D) project was awarded to Landshapes on December 13, 2001, for \$85,381.00 and there were two change orders amounting to \$931.65. The total funds expended on this project are \$86,312.65.

Construction began on February 24, 2001. The work entailed the construction of an equestrian trail to connect the existing trails. The connection had been severed when the swim lake was constructed. Final inspection of the Hansen Dam Recreation Area - Equestrian Trail (#1238D) project was made on June 5, 2001, by Department representatives. The contractor has satisfactorily completed the project in accordance with the specifications and plans under our Contract No. 2987.

The project was funded with Lopez Canyon Gas Recovery monies. Department staff has consulted with the Office of Contract Compliance (OCC) concerning the status of labor compliance and Affirmative Action requirements on this project. There are no outstanding wage violations and Landshapes is in compliance.

Prepared by Virginia Hatley, Project Manager.
