RECOMMENDATION:

That, inasmuch as no objections have been received, the Board approve the substitutions of subcontractors as requested.

SUMMARY:

The Department is in receipt of a request from Baltimore Construction, Inc., general contractor for the Denker Recreation Center - New Community Building (#1838A), Contract No. 2968, to substitute Valencia Sheet Metal for Consulting & Management Group, Inc. (CMG, Inc.) and Star-Wes Roofing Co., for E.T. Construction, Inc. for the metal and roofing subcontract work, respectively. The request was made inasmuch as CMG, Inc. and E.T. Construction, Inc. have withdrawn their bids and will be unable to perform the work.

Pursuant to Section 10.14 of the Los Angeles Administrative Code, CMG, Inc. and E.T. Construction, Inc. were notified of the substitution request and have filed no objection.
