RECOMMENDATION:

That the Board approve the substitution of a subcontractor for the South Seas Refurbishment Project as requested. No objection has been received.

SUMMARY:

The Department is in receipt of a request from Dynamic General Contractors, Inc., general contractor for the South Seas House - Refurbishment (#1842A), Contract 3050, to substitute its own forces (Dynamic General Contractors, Inc.) for J.O. Roofing for the roofing subcontract work on this project. The request was made inasmuch as J.O. Roofing requested to withdraw its bid from this project. The Architect has changed the roofing design and material to be used on this project, and J.O. Roofing has stated that it is not experienced with this type of installation.

Pursuant to Section 10.14 of the Los Angeles Administrative Code, J.O. Roofing was notified of the substitution request and has filed no objection.
