RECOMMENDATION:

1. Approve final plans and specifications subject City Attorney approval as to form; and,
2. Approve the date for receipt of bids as Tuesday, May 13, 2003, at 3:00 p.m., in the Board Room.

SUMMARY:

Final plans for the Griffith Park Ferraro Soccer Fields - Field House (#1714C) project, located at 5000 Zoo Drive, Los Angeles, have been prepared by the Planning and Construction Division. The plans provide for a new restroom/field house building (approximately 1,187 sq. ft.), irrigation around the building and related improvements.

The project estimate is \$735,000.00. The project is funded through Prop K and the three required Local Volunteer Neighborhood Oversight Committee (LVNOC) meetings have been held. The project is being advertised with Additive Alternates to allow for flexibility in the award of a contract. The contract for this project must be encumbered by June 30, 2003, to meet project funding deadlines.

Staff has determined the project has previously been evaluated for environmental significance and processed in accordance with the City CEQA guidelines. A Negative Declaration was previously prepared and a Notice of Determination filed on July 3, 2001.

Report by Kathleen Chan, Prop K Coordinator.
