RECOMMENDATION:

It is recommended that, inasmuch as no objections have been received, the Board approve the substitutions of subcontractor as requested.

SUMMARY:

The Department is in receipt of a request from S.J. Amoroso Construction Co., Inc., general contractor for the Griffith Observatory - Renovation and Expansion (#1504C), Contract No. 3068, to make the following substitutions:

1. Substitute Mitsubishi USA, Inc., for Fujitec America, Inc., for the elevator subcontract work, inasmuch as Fujitec America, Inc., withdrew its bid; and
2. Substitute Shaw & Sons Construction for Webcor Concrete for the site concrete subcontract work, inasmuch as Webcor Concrete is financially unable to perform the work.

Pursuant to Section 10.14 of the Los Angeles Administrative Code, Fujitec America, Inc., Webcor Concrete were notified of the substitution request and have filed no objection.
