Cardenas Camp believes in the spirit of play where they Play Hard, Play Fair, and Play All The Time! Our program is based on fun, fitness, friendship, and designed to offer age appropriate activities for each camper in order to achieve a level of success in a safe environment with caring staff. This is accomplished through swimming, arts & crafts, sports, games, field trips, & more!!!

Our camp mission is to create a safe, positive, and fun sports environment where children can interact while improving their athletic skills. This program is offered to all athletic abilities. This environment not only encourages participation but keeps children active and provides an opportunity for children to learn important skills and values of sportsmanship.
