About Our Program

We are a school-age after school program that serves children ages 5-13 years. We have low ratios and offer homework help daily. Our program includes a variety of activities such as; school pick-up in a City Van by certified staff, daily snack, academic enrichment, arts & crafts, music, cooking, sports, special guests, special events, games, drama, field trips and more. We are located in a safe, recreational environment with highly experienced and diverse staff members.
