MUNICIPAL SPORTS

The primary purpose of adult sports programs is to offer each resident of our city the opportunity to pursue, through competitive sports, the physical and emotional benefits such activity offers. All too often the emphasis in such participation has been placed on winning at any cost.

It should be remembered that in every competitive sports activity there are winners and losers. The purpose of this Code of Conduct, applicable to every participant, is to engender and motivate a return to good sportsmanship, proper conduct on and off the field, and full compliance with the rules and policies of the L.A. City Municipal Sports Section. Every individual and team participating has adequate recourse through established procedures in the filing of complaints or protests.

Effective immediately, the Code of Conduct, as defined below, is in force. Team managers will carefully review the rules and requirements herewith set forth and will make them known to their players. They are solely responsible for actions of their team(s) and players on and off the field. Improper behavior on the part of any participant can directly affect the future participation by the entire team. Be reminded that all team members, including coaches/managers, are NOT to: consume alcoholic beverages or smoke at or around game facilities, nor shall they dress, undress or urinate in public.
Penalty: Immediate suspension and loss of tournament fees.

CODE OF CONDUCT

The Participant's Code of Conduct applies to all players, coaches and managers. This code applies to players as individuals and as a team, and the penalties can be applied to an individual and/or an entire team. This code becomes effective as soon as the participants arrive at the facility of play and remains in effect until the participants leave the facility.

 2. Be guilty of a physical attack as an aggressor upon any player, official or spectator;
 3. Endanger the safety of any player, coach, manager, official or spectator.
- B. No Participant shall:**
 1. Refuse to abide by an official's decision;
 2. Be guilty of heaping personal, verbal abuse upon any official for any real or imaginary wrong decision or judgment;
 3. Be guilty of using unnecessarily rough tactics in the play of the game against an opposing player.
- C. No Participant shall:**
 1. Be guilty of objectionable demonstrations of dissent at an official's decision by throwing equipment or any other forceful action;
