

What's New at EXPO Center!

Thank you Friends of Expo Center!

On Saturday, October 29, the Friends of Expo Center hosted a pre-game tailgate party and game day experience inside the Coliseum during the USC vs. Stanford football game. The 5th Annual 1932 Club USC Football fundraiser raised over \$40,000 to support the programs and activities at EXPO Center. Sponsors included: AEG, AT&T, KPMG, Marcellus McRae, Steve Soboroff, Steve Stewart, USC Government and Civic Relations, and Wells Fargo. Thank you so much to all of the sponsors and the Friends of Expo Center!!!

The EXPO Center Teen Club has BIG News!

Bryan Garcia and Sandy Garcia were chosen to be a part of the Peace Over Violence Youth Action Council. Through this partnership program, they will learn about sexual and domestic violence, stalking, child abuse, and youth violence prevention. As Council members they will have the opportunity to effect change, design safety campaigns, meet with government officials, and speak to other teens about violence prevention.

Free Computer Classes

EXPO Center's free computer classes have been extended through June 2012! This program is made possible in part through a Broadband Technology Opportunities Program (BTOP) grant from the U.S. Department of Commerce, with funding from the American Recovery and Reinvestment Act. Learn basic computer skills: Internet, Microsoft Word or Excel, create your resumé, check your email, search for jobs, look up the latest news, and catch up with friends on Facebook, Twitter and more!
