## **REQUEST FOR INCLUSION OF “EQUESTRIAN” WEB BUTTON ON LAPARKS HOMEPAGE**

Equestrian activities are a significant and popular part of our community's recreational offerings. It is currently challenging for users to find relevant information about equestrian facilities, trails, events, and programs on the website.

The LAEAC is writing to request the inclusion of a navigation feature for “Equestrian” on the Department of Recreation and Parks homepage category of activities. By adding a dedicated navigation element to click for “Equestrian,” these Los Angeles Park amenities can then be easily found and enhance user experience for those interested in these activities.

Thank you for considering this request. I am confident that this addition will be a valuable enhancement to the website, benefiting many residents and visitors who engage in equestrian pursuits.
