RECOMMENDATIONS

1. Approve the scope of work and the total budget of the Chatsworth Park South Recreation Center – Roof Replacement (PRJ21808) Project (Project), as described in the Summary of this Report;
2. Authorize the Department of Recreation and Parks (RAP) staff to commit, from the fund and work order numbers shown in Attachment 1, a maximum of \$640,946.96 in Park Fees for the proposed Project;
3. Approve the Project to be bid and constructed through the RAP list of pre-qualified on-call contractors;
4. Approve the authorization of change orders as authorized under Board Report No. 06-136, for the construction contracts for this Project in the budget contingency amounts for such contracts as stated in this Report;
5. Determine that the proposed Project is categorically exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to Article 19, Section 15302 [Replacement or reconstruction of existing structures and facilities where the new structure will be located on the same site as the structure replaced and have substantially the same purpose and capacity] of California CEQA Guidelines and Article III, Section 1,

BOARD REPORT

PG. 2 NO. 24-225

Class 2 of City CEQA Guidelines, and direct staff to file a Notice of Exemption (NOE) with the Los Angeles County Clerk and the California Office of Planning and Research;

6. Authorize RAP's Chief Accounting Employee to prepare a check to the Los Angeles County Clerk in the amount of \$75.00 for the purpose of filing an NOE; and,
7. Authorize RAP staff to make technical corrections as necessary to carry out the intent of this Report.

SUMMARY

Chatsworth Park South is located at 22360 Devonshire Street in the Chatsworth community of the City. This 73.07-acre park provides a variety of services and amenities to the community; including a recreation center, play area, and outdoor open space. Additionally, the Minnie Hill Palmer House Homestead Acre, City of Los Angeles Historic-Cultural Monument No. 113, is located at this site. Due to the facilities, features, programs, and services it provides, Chatsworth Park South Recreation Center meets the standard for a Community Park, as defined in the City's Public Recreation Plan.

PROJECT SCOPE

The scope of work of the proposed Project involves the replacement of roof of the recreation center building.

PROJECT FUNDING

Upon approval of this Report, \$640,946.96 in Park Fees can be committed to the proposed Project, which is the total budget including the budget contingency amount set forth below.

See below the anticipated pre-qualified on-call contract(s) and budget contingency amount(s) that will be used for the Project:

On-Call Contract	Contingency Amount
Roof Construction	\$128,000.00

The Park Fees were collected within five miles of Chatsworth Park South, which is the standard distance for the commitment of Park Fees for community recreational facilities pursuant to Los Angeles Municipal Code Section 12.33 E.3.

FUNDING SOURCE MATRIX

Source	Fund/Dept/Acct	Amount	Percentage
Park Fees	302/89/89718H	\$88,391.21	14%
Park Fees	302/89/89716H	\$552,555.75	86%
Total		\$640,946.96	100%

BOARD REPORT

PG. 3 NO. 24-225

PROJECT CONSTRUCTION

RAP Staff has determined that sufficient funding has been identified for the Project. See below the anticipated schedule for the proposed Project:

Phase	Duration
Predesign	N/A
Design	N/A
Bid and Award	July 2024 – November 2024
Construction	November 2024 – May 2025
Post Construction	June 2025 – November 2025

TREES AND SHADE

This Project will have no impact on the existing trees and shade at the Chatsworth Park South.

ENVIRONMENTAL IMPACT

The proposed Project consists of replacement of existing structures where the new structure will be located on the same site as the structure replaced and have substantially the same purpose and capacity.

According to the parcel profile report retrieved on October 16, 2024, this area resides in a liquefaction zone. The construction of this Project will not create conditions that could lead to liquefaction. This site is not within a coastal, methane, or historic zone, so there is no reasonable possibility that the proposed Project may impact on an environmental resource of hazardous or critical concern or have a significant effect due to unusual circumstances. No other known projects would involve cumulatively significant impacts, and no future projects would result from the proposed Project. As of October 16, 2024, the State Department of Toxic Substances Control (DTSC) (Envirostor at www.envirostor.dtsc.ca.gov) and the State Water Resources Control Board (SWRCB) (Geotracker at <https://geotracker.waterboards.ca.gov/>) have listed the Project site or as voluntary cleanup N. 60000893. Chatsworth Park South used to be a clay pigeons shooting range. When the shooting range was closed the site remained contaminated by clay rubble and lead pellets. RAP entered in a voluntary cleanup agreement with the Department of Toxic Substances Control (DTSC), proceeded to characterize the extension of the contamination and implemented a Remedial Action Plan (Plan). The plan consisted of capping the contamination with clean soil, removal of contaminant from scrub brush areas and preservation of heritage trees. The Recreation Center is included in the Plan area and was protected in place while the site was remediated. The proposed Project does not include any excavation, ranching, drilling or earth movement, so the Project will not affect the remediated area. According to the Caltrans Scenic Highway Map, there is no scenic highway located within the vicinity of the proposed Project or within its site. The proposed Project is located in proximity of Minnie Hill Palmer House, a City of Los Angeles Historic Cultural Monument (HCM #133), listed on the National Register of Historic Places with # 79000480. The roof replacement at the Community Center will have no effect on the historical significance of this historic resource.

BOARD REPORT

PG. 4 NO. 24-225

Based in this information, staff recommends that the Board of Recreation and Park Commissioners (Board) determines that the proposed Project is categorically exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to Article 19, Section 15302 of California CEQA Guidelines as well as to Article III, Section 1, Class 2 of City CEQA Guidelines. Staff will file a Notice of Exemption with the Los Angeles County Clerk and the California Office of Planning and Research upon Board's approval.

FISCAL IMPACT

The approval of this commitment of Park Fees will have no fiscal impact on RAP's General Fund. The estimated costs for the design, development, and construction of the proposed park improvements are anticipated to be funded by Park Fees or funding sources other than RAP's General Fund. The maintenance of the proposed park improvements can be performed by current staff with minimal impact to existing maintenance service at this facility.

This Report was prepared by Nicolas Caulfield, Management Assistant, Planning, Maintenance and Construction Branch.
