BOARD REPORT

PG. 3 NO. 25-028

- 2) Find, in accordance with Charter Sections 371(e)(2) and 372, and Los Angeles Administrative Code Section 10.15(a)(2), that it is in the best interest of RAP to have pre-qualified contractors and that competitive bidding is not practicable or advantageous or compatible with RAP's interests in having available pre-qualified, as-needed contractors as it is necessary for RAP to be able to call on pre-qualified contractors to perform this expert, technical work as-needed and on an occasional, but frequent, basis with each individual project being awarded on the basis of availability of an as-needed, pre-qualified contractor to perform the work, the price to be charged and the unique expertise of the contractor;
- 3) Find, in accordance with Charter Section 371(e)(10), that use of competitive bidding would be undesirable, impractical or impossible or is otherwise excused by the common law and the Charter because, unlike the purchase of a specified product, there is no single criterion, such as price comparison, that will determine which proposer can best provide the services required by RAP to provide as-needed park facilities consultant services;
- 4) Find, in accordance with Charter Section 375, that it is in the best interest of RAP to prequalify contractors to be eligible to bid on projects for park facilities consultant services in order to expedite the solicitation and award of such services for projects on an as-needed basis in light of the significant number of projects in need of such services which are anticipated for the foreseeable future;
- 5) Find, in accordance with Charter Section 1022, that RAP does not have available in its employ, personnel with sufficient time or necessary expertise to undertake park facilities consultant services in a timely manner, and it is more feasible, economical and in RAP's best interest, to secure these services by contract with pre-qualified contractors to perform this work on an as-needed basis based on bids to be received from the prequalified contractor for each qualifying project;
- 6) Direct the Board of Recreation and Park Commissioners (Board) Secretary to transmit the Contract to the City Attorney for review and approval as to form;
- 7) Authorize the Board President and Secretary to execute the Contract upon receipt of the necessary approvals; and,
- 8) Authorize RAP staff to make technical corrections as necessary to carry out the intent of this Report.

SUMMARY

RAP has an on-going need for park facilities consultant services, as further described below. RAP currently has a set of contracts in place for these important services and would like to broaden that bench to allow more contractors to bid and provide these services to RAP.

BOARD REPORT

PG. 4 NO. 25-028

Awarding of the Contracts to the recommended contractors identified in this Report will ensure engineering, land surveying, and geotechnical services are readily available for the maintenance and expansion of RAP's current park facility infrastructure. It is critical that RAP has access to these services to improve recreation and parks infrastructure to ultimately improve participation in recreation programs with a priority on low-income communities throughout its vast 450-plus park locations.

An As-Needed Park Facilities Consultant Services Request for Qualifications (RFQ) was released on October 10, 2024. A Mandatory Pre-Qualification Meeting was conducted on November 12, 2024 and a Non-Mandatory Technical Review Meeting was conducted on November 26, 2024. It should be noted that RAP released a similar RFQ on April 3, 2024. This RFQ, just like the previously released version, includes six service categories, as further described below:

1) Civil Engineering:

The scope of services includes, but is not limited to, evaluation, development and preparation of plans, construction documents, and project cost estimates for park facility improvements involving roadway and/or pathway design and calculations, site grading, drainage, and stormwater best management practices relating to construction and erosion control. Contractors will be responsible for securing approvals and permits from regulatory agencies with assistance from RAP staff.

2) Electrical Engineering:

The scope of services includes, but is not limited to, evaluation, development and preparation of plans, construction documents, and project cost estimates for electrical systems at park facilities, sport field lighting, security lighting, and low-voltage systems. Contractors will be responsible for securing approvals and permits from regulatory agencies with assistance from RAP staff.

3) Mechanical Engineering:

The scope of services includes, but is not limited to, evaluation, development and preparation of plans, construction documents, and cost estimates for mechanical systems including Heating, Ventilation, Air Conditioning (HVAC), sprinkler, fire life safety, and plumbing systems for new park facilities, as well as, improving and/or renovating existing park facilities as required. Contractors will be responsible for securing approvals and permits from regulatory agencies with assistance from RAP staff.

4) Structural Engineering:

The scope of services includes, but is not limited to, evaluation, development and preparation of plans, construction documents, and cost estimates for various structures consisting of wood, steel, masonry, and/or concrete used for park building facilities, retaining structures,

pedestrian/bridge structures, and/or miscellaneous structures. Contractors will be responsible for securing approvals and permits from regulatory agencies with assistance from RAP staff.

5) Land Surveying:

The scope of services includes, but is not limited to, surveying large parcels, easements, right-of-way, parcel or easement legal descriptions, construction surveys, elevations, establishing boundaries from the parcel legal descriptions (metes and bounds), and developing topographic maps.

6) Geotechnical Services:

The scope of services includes, but is not limited to, evaluation and geotechnical survey of park sites including preparing geotechnical recommendations and reports in support of emergency response and design services for hillside areas, recreational structures, and other park amenities such as shade structures.

RFQ: On December 3, 2024 RAP received the following 12 Statements of Qualifications (SOQ) in response to this RFQ:

- 1) B&J HBK, Inc. dba Brandow & Johnston
- 2) Bureau Veritas North America, Inc.
- 3) Capital Engineering Consultants, Inc.
- 4) CWE
- 5) Edifica USA
- 6) J.C. Chang & Associates, Inc.
- 7) John A. Martin & Associates, Inc.
- 8) Kimley-Horn and Associates, Inc.
- 9) Langan CA Inc.
- 10) Michael Baker International, Inc.
- 11) Ninyo & Moore Geotechnical & Environmental Sciences Consultants
- 12) PSOMAS

RAP staff evaluated each of the SOQs received for responsiveness, completeness, and thoroughness, per its routine process. Responses were evaluated with a two-level review to determine if each respondent met the minimum qualifications as stated in the RFQ document. The first level determined whether the respondent submitted a complete package and all required forms. The second level focused on the qualifications and quality of the information provided and whether the experience submitted met the minimum qualifications as stated in the RFQ.

Responders were required to provide evidence of their qualifications and meet all of the minimum requirements related to work experience, professional licenses, a representative projects list and required project documentation for each service category they wished to be considered.

BOARD REPORT

PG. 6 NO. 25-028

Minimum Qualifications

Qualified responders had the option of submitting a response for one or multiple service categories, but a respondent must separately qualify for each service category. The minimum qualifications were as follows:

- Submit a Project Qualification Form indicating that they are the Engineer/Designer of Record (where applicable) and/or they signed off on the final report/survey (Land Surveying), stating their level of involvement for at least five qualifying projects in this capacity within the previous 10 years at a minimum construction value of \$500,000 per project.
- All qualifying projects provided must have been completed between October 1, 2014 and October 1, 2024.

1) Civil Engineering:

Qualified Responders must maintain an active Professional Engineering license in Civil Engineering and must be in good standing with the Board for Professional Engineers, Land Surveyors, and Geologists of the Department of Consumer Affairs (DCA) of the State of California and must be authorized to practice civil engineering in the State of California. Qualified Responders must also be certified as a Qualified Stormwater Pollution Prevention Plan (SWPPP) Developer (QSD)/ Qualified SWPPP Practitioner (QSP) in the State of California.

2) Electrical Engineering:

Qualified Responders maintain an active Professional Engineering license in Electrical Engineering and must be in good standing with the Board for Professional Engineers, Land Surveyors, and Geologists of the Department of Consumer Affairs (DCA) of the State of California and must be authorized to practice electrical engineering in the State of California.

3) Geotechnical Services:

Qualified Responders must maintain an active Geotechnical Engineering license in the State of California and must be in good standing with Board for Professional Engineers, Land Surveyors, and Geologists of the Department of Consumer Affairs (DCA) of the State of California and must be authorized to practice geotechnical engineering in the State of California.

4) Land Surveying:

BOARD REPORT

PG. 7 NO. 25-028

5) Mechanical Engineering:

Qualified Responders must maintain an active Professional Engineering license in Mechanical Engineering and must be in good standing with the Board for Professional Engineers, Land Surveyors, and Geologists of the Department of Consumer Affairs (DCA) of the State of California and must be authorized to practice as a mechanical engineer in the State of California.

6) Structural Engineering:

Qualified Responders must maintain an active Professional Engineering license in Structural Engineering and must be in good standing with the Board for Professional Engineers, Land Surveyors, and Geologists of the Department of Consumer Affairs (DCA) of the State of California and must be authorized to practice as a structural engineer in the State of California.

Additional RFQ Results

The following firms did not successfully complete the two-level review process. The reasons for these firms being deemed non-responsive are also noted. City requirements and practices allow departments to conditionally recommend contracts for certain informalities, however, these firms failed to submit complete, responsive SOQs and those missing or incomplete documents cannot be submitted after the bid due date.

Firms Not Recommended:

- 1) Capital Engineering Consultants, Inc., did not provide the required Project Qualification Forms, as listed in the RFQ.
- 2) Edifica USA failed to submit the following documents:
All the Compliance Documents, required licenses, Respondent Contact Information and Signature Page.
- 3) Langan CA Inc., did not meet the minimum experience as listed in the RFQ.

STRATEGIC PLAN INITIATIVES AND GOALS

Approval of this Board Report advances RAP's Strategic Plan by supporting:

Goal No. 3: Create & Maintain World Class Parks and Facilities

Outcome No. 3: Increase park maintenance, with focus on cleanliness

CONTRACT

BETWEEN

THE CITY OF LOS ANGELES

DEPARTMENT OF RECREATION AND PARKS

AND

TBD

FOR AS-NEEDED PARK FACILITIES CONSULTANT SERVICES

This CONTRACT ("Contract" or "Agreement") is made and entered into this ____ day of _____ 2025, by and between the City of Los Angeles, (herein referred to as "CITY"), a municipal corporation acting by and through its Department of Recreation and Parks (hereinafter referred to as "RAP"), acting by and through its Board of Recreation and Park Commissioners (hereinafter referred to as "BOARD"), and TBD, hereinafter referred to as CONTRACTOR. CITY and CONTRACTOR shall be referred to hereinafter as the "Parties".

RECITALS

WHEREAS, RAP owns various facilities and infrastructure throughout the City of Los Angeles and is responsible for the maintenance and improvements for such facilities and infrastructure; and,

WHEREAS, RAP requires the services of an experienced and responsible contractor to perform Park Facilities Consultant Services of the facilities and parks in the CITY; and

WHEREAS, a Request for Qualifications (RFQ) for such services was released on October 10, 2024 and 12 responses to the RFQ were received on December 3, 2024; and

WHEREAS, the CONTRACTOR's response met the minimum qualification requirements for the provision of Park Facilities Consultant Services as specified in the RFQ; and

WHEREAS, CONTRACTOR has the necessary equipment and staff possessing sufficient knowledge, expertise, and experience required to provide the necessary services and has indicated its willingness to perform such services; and

WHEREAS, RAP shall solicit bids on projects for Park Facilities Consultant Services on an as-needed basis (each a "Project"), and CONTRACTOR, as a pre-qualified contractor selected through the RFQ, shall be invited to bid on each such Project, and if CONTRACTOR is awarded any such Project, CONTRACTOR has indicated its willingness to provide the necessary services for the Project upon the terms and conditions set forth in (1) this Agreement, (2) the RFQ and CONTRACTOR's response to the RFQ ("RFQ Documents"), and (3) the bid notice/documents for the applicable Project and CONTRACTOR's response thereto ("Bid Documents"); and

WHEREAS, RAP, pursuant to Charter Sections 371(e)(2) and 375, finds that it is in its best interest to have pre-qualified contractors and that competitive bidding is not practicable or advantageous as it is necessary for RAP to be able to call on qualified contractors to perform this work as-needed and on an occasional, but frequent, basis without engaging in a new competitive process for each individual project to be performed; however, from among as needed pre-qualified contractors each individual project is assigned on the basis of availability of an as-needed contractor to perform the work, the price to be charged and the unique expertise of the as-needed contractor; and,

WHEREAS, RAP, pursuant to Charter Section 371(e)(10), finds that use of competitive bidding would be undesirable, impractical or impossible or is otherwise excused by the common law and the City Charter because, unlike the purchase of a specified product, there is no single criterion, such as price comparison, that will determine which proposer can best provide the services required by RAP to provide Park Facilities Consultant Services on as-needed basis; and

WHEREAS, RAP, pursuant to Charter Sections 372 and 375, and Los Angeles Administrative Code Section 10.15(a)(2), finds that obtaining competitive proposals or bids for each individual project for which work may be performed pursuant to this Agreement is not reasonably practicable or compatible with RAP's interests of having available as-needed contractors who are assigned various projects on the basis of availability, price and expertise and that it is therefore necessary to have several as-needed contractors for this type of service available when called upon by the RAP to perform services; and,

WHEREAS, RAP, pursuant to Charter Section 1022, does not have sufficient or adequate personnel in its employ to undertake this task on an emergency basis and it is more feasible and economical to secure said services by contract.

RAP and the CONTRACTOR understand and agree that this is a non-exclusive Agreement to provide services to RAP and that RAP may contract with other contractors to provide similar services during the term of this Agreement.

SECTION 8 - RATIFICATION

At the request of RAP, and because of the urgent need therefore, CONTRACTOR may have begun performance of services required hereunder prior to the execution of this Contract. By its execution hereof, CONTRACTOR hereby accepts that such services are

subject to all of the terms, covenants, and conditions of this Contract, and CONTRACTOR's performance of such service.

Section 9 - LIQUIDATED DAMAGES

Time is often of the essence in the performance of work for each Project. CITY relies upon CONTRACTORS to complete work according to the timeline provided in the Bid Documents and it would be extremely burdensome for the parties to ascertain the actual damages incurred by CITY and the general public from late performance by the CONTRACTOR. Therefore, if CITY determines that CONTRACTOR in performing services pursuant to Bid Documents, fails to perform by the timeline as set forth in the Bid Documents, the CONTRACTOR may be required to pay liquidated damages, at a rate as set forth in the Bid Documents, based on the CONTRACTOR's late performance.

SECTION 10 - INCORPORATION OF DOCUMENTS

This Contract and exhibits represent the entire integrated agreement of the Parties and supersedes all prior written or oral representations, discussions, and agreements. The following documents are incorporated and made a part hereof by reference:

STANDARD PROVISIONS FOR CITY CONTRACTS

PSC-1. Construction of Provisions and Titles Herein

All titles, subtitles, or headings in this Contract have been inserted for convenience, and shall not be deemed to affect the meaning or construction of any of the terms or provisions of this Contract. The language of this Contract shall be construed according to its fair meaning and not strictly for or against **CITY** or **CONTRACTOR**. The word "**CONTRACTOR**" includes the party or parties identified in this Contract. The singular shall include the plural and if there is more than one **CONTRACTOR**, unless expressly stated otherwise, their obligations and liabilities shall be joint and several. Use of the feminine, masculine, or neuter genders shall be deemed to include the genders not used.

PSC-2. Applicable Law, Interpretation and Enforcement

Each party's performance shall comply with all applicable laws of the United States of America, the State of California, and **CITY**, including but not limited to, laws regarding health and safety, labor and employment, wage and hours and licensing. This Contract shall be enforced and interpreted under the laws of the State of California without regard to conflict of law principles. **CONTRACTOR** shall comply with new, amended, or revised laws, regulations, or procedures that apply to the performance of this Contract with no additional compensation paid to **CONTRACTOR**.

In any action arising out of this Contract, **CONTRACTOR** consents to personal jurisdiction, and agrees to bring all such actions, exclusively in state or federal courts located in Los Angeles County, California.

If any part, term or provision of this Contract is held void, illegal, unenforceable, or in conflict with any federal, state or local law or regulation, the validity of the remaining parts, terms or provisions of this Contract shall not be affected.

PSC-3. Time of Effectiveness

Unless otherwise provided, this Contract shall take effect when all of the following events have occurred:

- A. This Contract has been signed on behalf of **CONTRACTOR** by the person or persons authorized to bind **CONTRACTOR**;
- B. This Contract has been approved by the City Council or by the board, officer or employee authorized to give such approval;
- C. The Office of the City Attorney has indicated in writing its approval of this Contract as to form; and
- D. This Contract has been signed on behalf of **CITY** by the person designated by the City Council, or by the board, officer or employee authorized to enter into this Contract.

PSC-4. Integrated Contract

This Contract sets forth all of the rights and duties of the parties with respect to the subject matter of this Contract, and replaces any and all previous Contracts or understandings, whether written or oral, relating thereto. This Contract may be amended only as provided for in the provisions of PSC-5 hereof.

PSC-5. Amendment

All amendments to this Contract shall be in writing and signed and approved pursuant to the provisions of PSC-3.

PSC-6. Excusable Delays

Neither party shall be liable for its delay or failure to perform any obligation under and in accordance with this Contract, if the delay or failure arises out of fires, floods, earthquakes, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by the party or any of the party's Subcontractors), freight embargoes, terrorist acts, insurrections or other civil disturbances, or other similar events to those described above, but in each case the delay or failure to perform must be beyond the control and without any fault or negligence of the party delayed or failing to perform (these events are referred to in this provision as "Force Majeure Events").

Notwithstanding the foregoing, a delay or failure to perform by a Subcontractor of **CONTRACTOR** shall not constitute a Force Majeure Event, unless the delay or failure arises out of causes beyond the control of both **CONTRACTOR** and Subcontractor, and without any fault or negligence of either of them. In such case, **CONTRACTOR** shall not be liable for the delay or failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit **CONTRACTOR** to perform timely. As used in this Contract, the term "Subcontractor" means a subcontractor at any tier.

In the event **CONTRACTOR'S** delay or failure to perform arises out of a Force Majeure Event, **CONTRACTOR** agrees to use commercially reasonable best efforts to obtain the goods or services from other sources, and to otherwise mitigate the damages and reduce the delay caused by the Force Majeure Event.

PSC-7. Waiver

A waiver of a default of any part, term or provision of this Contract shall not be construed as a waiver of any succeeding default or as a waiver of the part, term or provision itself. A party's performance after the other party's default shall not be construed as a waiver of that default.

PSC-8. Suspension

At **CITY'S** sole discretion, **CITY** may suspend any or all services provided under this Contract by providing **CONTRACTOR** with written notice of suspension. Upon receipt of the notice of suspension, **CONTRACTOR** shall immediately cease the services

suspended and shall not incur any additional obligations, costs or expenses to **CITY** until **CITY** gives written notice to recommence the services.

PSC-9. Termination

A. Termination for Convenience

CITY may terminate this Contract for **CITY'S** convenience at any time by providing **CONTRACTOR** thirty days written notice. Upon receipt of the notice of termination, **CONTRACTOR** shall immediately take action not to incur any additional obligations, costs or expenses, except as may be necessary to terminate its activities. **CITY** shall pay **CONTRACTOR** its reasonable and allowable costs through the effective date of termination and those reasonable and necessary costs incurred by **CONTRACTOR** to effect the termination. Thereafter, **CONTRACTOR** shall have no further claims against **CITY** under this Contract. All finished and unfinished documents and materials procured for or produced under this Contract, including all intellectual property rights **CITY** is entitled to, shall become **CITY** property upon the date of the termination. **CONTRACTOR** agrees to execute any documents necessary for **CITY** to perfect, memorialize, or record **CITY'S** ownership of rights provided herein.

B. Termination for Breach of Contract

1. Except as provided in PSC-6, if **CONTRACTOR** fails to perform any of the provisions of this Contract or so fails to make progress as to endanger timely performance of this Contract, **CITY** may give **CONTRACTOR** written notice of the default. **CITY'S** default notice will indicate whether the default may be cured and the time period to cure the default to the sole satisfaction of **CITY**. Additionally, **CITY'S** default notice may offer **CONTRACTOR** an opportunity to provide **CITY** with a plan to cure the default, which shall be submitted to **CITY** within the time period allowed by **CITY**. At **CITY'S** sole discretion, **CITY** may accept or reject **CONTRACTOR'S** plan. If the default cannot be cured or if **CONTRACTOR** fails to cure within the period allowed by **CITY**, then **CITY** may terminate this Contract due to **CONTRACTOR'S** breach of this Contract.
2. If the default under this Contract is due to **CONTRACTOR'S** failure to maintain the insurance required under this Contract, **CONTRACTOR** shall immediately: (1) suspend performance of any services under this Contract for which insurance was required; and (2) notify its employees and Subcontractors of the loss of insurance coverage and Contractor's obligation to suspend performance of services. **CONTRACTOR** shall not recommence performance until **CONTRACTOR** is fully insured and in compliance with **CITY'S** requirements.

3. If a federal or state proceeding for relief of debtors is undertaken by or against **CONTRACTOR**, or if **CONTRACTOR** makes an assignment for the benefit of creditors, then **CITY** may immediately terminate this Contract.
4. If **CONTRACTOR** engages in any dishonest conduct related to the performance or administration of this Contract or violates **CITY'S** laws, regulations or policies relating to lobbying, then **CITY** may immediately terminate this Contract.
5. Acts of Moral Turpitude
 - a. **CONTRACTOR** shall immediately notify **CITY** if **CONTRACTOR** or any Key Person, as defined below, is charged with, indicted for, convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, any act which constitutes an offense involving moral turpitude under federal, state, or local laws ("Act of Moral Turpitude").
 - b. If **CONTRACTOR** or a Key Person is convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, an Act of Moral Turpitude, **CITY** may immediately terminate this Contract.
 - c. If **CONTRACTOR** or a Key Person is charged with or indicted for an Act of Moral Turpitude, **CITY** may terminate this Contract after providing **CONTRACTOR** an opportunity to present evidence of **CONTRACTOR'S** ability to perform under the terms of this Contract.
 - d. Acts of Moral Turpitude include, but are not limited to: violent felonies as defined by Penal Code Section 667.5, crimes involving weapons, crimes resulting in serious bodily injury or death, serious felonies as defined by Penal Code Section 1192.7, and those crimes referenced in the Penal Code and articulated in California Public Resources Code Section 5164(a)(2); in addition to and including acts of murder, rape, sexual assault, robbery, kidnapping, human trafficking, pimping, voluntary manslaughter, aggravated assault, assault on a peace officer, mayhem, fraud, domestic abuse, elderly abuse, and child abuse, regardless of whether such acts are punishable by felony or misdemeanor conviction.

- e. For the purposes of this provision, a Key Person is a principal, officer, or employee assigned to this Contract, or owner (directly or indirectly, through one or more intermediaries) of ten percent or more of the voting power or equity interests of **CONTRACTOR**.
 6. In the event **CITY** terminates this Contract as provided in this section, **CITY** may procure, upon such terms and in the manner as **CITY** may deem appropriate, services similar in scope and level of effort to those so terminated, and **CONTRACTOR** shall be liable to **CITY** for all of its costs and damages, including, but not limited to, any excess costs for such services.
 7. If, after notice of termination of this Contract under the provisions of this section, it is determined for any reason that **CONTRACTOR** was not in default under the provisions of this section, or that the default was excusable under the terms of this Contract, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to PSC-9(A) Termination for Convenience.
 8. The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.
- C. In the event that this Contract is terminated, **CONTRACTOR** shall immediately notify all employees and Subcontractors, and shall notify in writing all other parties contracted with under the terms of this Contract within five working days of the termination.

PSC-10. Independent Contractor

CONTRACTOR is an independent contractor and not an agent or employee of **CITY**. **CONTRACTOR** shall not represent or otherwise hold out itself or any of its directors, officers, partners, employees, or agents to be an agent or employee of **CITY**.

PSC-11. Contractor's Personnel

Unless otherwise approved by **CITY**, **CONTRACTOR** shall use its own employees to perform the services described in this Contract. **CITY** has the right to review and approve any personnel who are assigned to work under this Contract. **CONTRACTOR** shall remove personnel from performing work under this Contract if requested to do so by **CITY**.

CONTRACTOR shall not use Subcontractors to assist in performance of this Contract without the prior written approval of **CITY**. If **CITY** permits the use of Subcontractors, **CONTRACTOR** shall remain responsible for performing all aspects of this Contract and paying all Subcontractors. **CITY** has the right to approve **CONTRACTOR'S** Subcontractors, and **CITY** reserves the right to request replacement of any

Subcontractor. **CITY** does not have any obligation to pay **CONTRACTOR'S** Subcontractors, and nothing herein creates any privity of contract between **CITY** and any Subcontractor.

PSC-12. Assignment and Delegation

CONTRACTOR may not, unless it has first obtained the written permission of **CITY**:

- A. Assign or otherwise alienate any of its rights under this Contract, including the right to payment; or
- B. Delegate, subcontract, or otherwise transfer any of its duties under this Contract.

PSC-13. Permits

CONTRACTOR and its directors, officers, partners, agents, employees, and Subcontractors, shall obtain and maintain all licenses, permits, certifications and other documents necessary for **CONTRACTOR'S** performance of this Contract. **CONTRACTOR** shall immediately notify **CITY** of any suspension, termination, lapses, non-renewals, or restrictions of licenses, permits, certificates, or other documents that relate to **CONTRACTOR'S** performance of this Contract.

PSC-14. Claims for Labor and Materials

CONTRACTOR shall promptly pay when due all amounts owed for labor and materials furnished in the performance of this Contract so as to prevent any lien or other claim under any provision of law from arising against any **CITY** property (including reports, documents, and other tangible or intangible matter produced by **CONTRACTOR** hereunder), and shall pay all amounts due under the Unemployment Insurance Act or any other applicable law with respect to labor used to perform under this Contract.

PSC-15. Current Los Angeles City Business Tax Registration Certificate Required

For the duration of this Contract, **CONTRACTOR** shall maintain valid Business Tax Registration Certificate(s) as required by **CITY'S** Business Tax Ordinance, Section 21.00 *et seq.* of the Los Angeles Municipal Code ("LAMC"), and shall not allow the Certificate to lapse or be revoked or suspended.

PSC-16. Retention of Records, Audit and Reports

CONTRACTOR shall maintain all records, including records of financial transactions, pertaining to the performance of this Contract, in their original form or as otherwise approved by **CITY**. These records shall be retained for a period of no less than three years from the later of the following: (1) final payment made by **CITY**, (2) the expiration of this Contract or (3) termination of this Contract. The records will be subject to examination and audit by authorized **CITY** personnel or **CITY'S** representatives at any time. **CONTRACTOR** shall provide any reports requested by **CITY** regarding

performance of this Contract. Any subcontract entered into by **CONTRACTOR** for work to be performed under this Contract must include an identical provision.

In lieu of retaining the records for the term as prescribed in this provision, **CONTRACTOR** may, upon **CITY'S** written approval, submit the required information to **CITY** in an electronic format, e.g. USB flash drive, at the expiration or termination of this Contract.

PSC-17. Bonds

All bonds required by **CITY** shall be filed with the Office of the City Administrative Officer, Risk Management for its review and acceptance in accordance with Los Angeles Administrative Code ("LAAC") Sections 11.47 *et seq.*, as amended from time to time.

PSC-18. Indemnification

Except for the active negligence or willful misconduct of **CITY**, or any of its boards, officers, agents, employees, assigns and successors in interest, **CONTRACTOR** shall defend, indemnify and hold harmless **CITY** and any of its boards, officers, agents, employees, assigns, and successors in interest from and against all lawsuits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by **CITY**, including but not limited to, costs of experts and consultants), damages or liability of any nature whatsoever, for death or injury to any person, including **CONTRACTOR'S** employees and agents, or damage or destruction of any property of either party hereto or of third parties, arising in any manner by reason of an act, error, or omission by **CONTRACTOR**, Subcontractors, or their boards, officers, agents, employees, assigns, and successors in interest. The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract. This provision will survive expiration or termination of this Contract.

PSC-19. Intellectual Property Indemnification

CONTRACTOR, at its own expense, shall defend, indemnify, and hold harmless the **CITY**, and any of its boards, officers, agents, employees, assigns, and successors in interest from and against all lawsuits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by **CITY**, including but not limited to, costs of experts and consultants), damages or liability of any nature arising out of the infringement, actual or alleged, direct or contributory, of any intellectual property rights, including, without limitation, patent, copyright, trademark, trade secret, right of publicity, and proprietary information: (1) on or in any design, medium, matter, article, process, method, application, equipment, device, instrumentation, software, hardware, or firmware used by **CONTRACTOR**, or its Subcontractors, in performing the work under this Contract; or (2) as a result of **CITY'S** actual or intended use of any Work Product (as defined in PSC-21) furnished by **CONTRACTOR**, or its Subcontractors, under this Contract. The rights and remedies of **CITY** provided in this section shall not be exclusive

and are in addition to any other rights and remedies provided by law or under this Contract. This provision will survive expiration or termination of this Contract.

PSC-20. Intellectual Property Warranty

CONTRACTOR represents and warrants that its performance of all obligations under this Contract does not infringe in any way, directly or contributorily, upon any third party's intellectual property rights, including, without limitation, patent, copyright, trademark, trade secret, right of publicity and proprietary information.

PSC-21. Ownership and License

Unless otherwise provided for herein, all finished and unfinished works, tangible or not, created under this Contract including, without limitation, documents, materials, data, reports, manuals, specifications, artwork, drawings, sketches, blueprints, studies, memoranda, computation sheets, computer programs and databases, schematics, photographs, video and audiovisual recordings, sound recordings, marks, logos, graphic designs, notes, websites, domain names, inventions, processes, formulas, matters and combinations thereof, and all forms of intellectual property originated and prepared by **CONTRACTOR** or its Subcontractors under this Contract (each a "Work Product"; collectively "Work Products") shall be and remain the exclusive property of **CITY** for its use in any manner **CITY** deems appropriate. **CONTRACTOR** hereby assigns to **CITY** all goodwill, copyright, trademark, patent, trade secret and all other intellectual property rights worldwide in any Work Products originated and prepared under this Contract. **CONTRACTOR** further agrees to execute any documents necessary for **CITY** to perfect, memorialize, or record **CITY'S** ownership of rights provided herein.

CONTRACTOR agrees that a monetary remedy for breach of this Contract may be inadequate, impracticable, or difficult to prove and that a breach may cause **CITY** irreparable harm. **CITY** may therefore enforce this requirement by seeking injunctive relief and specific performance, without any necessity of showing actual damage or irreparable harm. Seeking injunctive relief or specific performance does not preclude **CITY** from seeking or obtaining any other relief to which **CITY** may be entitled.

For all Work Products delivered to **CITY** that are not originated or prepared by **CONTRACTOR** or its Subcontractors under this Contract, **CONTRACTOR** shall secure a grant, at no cost to **CITY**, for a non-exclusive perpetual license to use such Work Products for any **CITY** purposes.

CONTRACTOR shall not provide or disclose any Work Product to any third party without prior written consent of **CITY**.

Any subcontract entered into by **CONTRACTOR** relating to this Contract shall include this provision to contractually bind its Subcontractors performing work under this Contract such that **CITY'S** ownership and license rights of all Work Products are preserved and protected as intended herein.

PSC-22. Data Protection

- A. **CONTRACTOR** shall protect, using the most secure means and technology that is commercially available, **CITY**-provided data or consumer-provided data acquired in the course and scope of this Contract, including but not limited to customer lists and customer credit card or consumer data, (collectively, the “City Data”). **CONTRACTOR** shall notify **CITY** in writing as soon as reasonably feasible, and in any event within twenty-four hours, of **CONTRACTOR’S** discovery or reasonable belief of any unauthorized access of City Data (a “Data Breach”), or of any incident affecting, or potentially affecting City Data related to cyber security (a “Security Incident”), including, but not limited to, denial of service attack, and system outage, instability or degradation due to computer malware or virus. **CONTRACTOR** shall begin remediation immediately. **CONTRACTOR** shall provide daily updates, or more frequently if required by **CITY**, regarding findings and actions performed by **CONTRACTOR** until the Data Breach or Security Incident has been effectively resolved to **CITY’S** satisfaction. **CONTRACTOR** shall conduct an investigation of the Data Breach or Security Incident and shall share the report of the investigation with **CITY**. At **CITY’S** sole discretion, **CITY** and its authorized agents shall have the right to lead or participate in the investigation. **CONTRACTOR** shall cooperate fully with **CITY**, its agents and law enforcement.
- B. If **CITY** is subject to liability for any Data Breach or Security Incident, then **CONTRACTOR** shall fully indemnify and hold harmless **CITY** and defend against any resulting actions.

PSC-23. Insurance

During the term of this Contract and without limiting **CONTRACTOR’S** obligation to indemnify, hold harmless and defend **CITY**, **CONTRACTOR** shall provide and maintain at its own expense a program of insurance having the coverages and limits not less than the required amounts and types as determined by the Office of the City Administrative Officer of Los Angeles, Risk Management (template Form General 146 in Exhibit 1 hereto). The insurance must: (1) conform to **CITY’S** requirements; (2) comply with the Insurance Contractual Requirements (Form General 133 in Exhibit 1 hereto); and (3) otherwise be in a form acceptable to the Office of the City Administrative Officer, Risk Management. **CONTRACTOR** shall comply with all Insurance Contractual Requirements shown on Exhibit 1 hereto. Exhibit 1 is hereby incorporated by reference and made a part of this Contract.

PSC-24. Best Terms

Throughout the term of this Contract, **CONTRACTOR**, shall offer **CITY** the best terms, prices, and discounts that are offered to any of **CONTRACTOR’S** customers for similar goods and services provided under this Contract.

PSC-25. Warranty and Responsibility of Contractor

CONTRACTOR warrants that the work performed hereunder shall be completed in a manner consistent with professional standards practiced among those firms within **CONTRACTOR'S** profession, doing the same or similar work under the same or similar circumstances.

PSC-26. Mandatory Provisions Pertaining to Non-Discrimination in Employment

Unless otherwise exempt, this Contract is subject to the applicable non-discrimination, equal benefits, equal employment practices, and affirmative action program provisions in LAAC Section 10.8 et seq., as amended from time to time.

- A. **CONTRACTOR** shall comply with the applicable non-discrimination and affirmative action provisions of the laws of the United States of America, the State of California, and **CITY**. In performing this Contract, **CONTRACTOR** shall not discriminate in any of its hiring or employment practices against any employee or applicant for employment because of such person's race, color, religion, national origin, ancestry, sex, sexual orientation, gender, gender identity, age, disability, domestic partner status, marital status or medical condition.

Pursuant to Section 10.10(b) of the LAAC, **CONTRACTOR** shall fully comply with all applicable State and Federal employment reporting requirements. Failure of **CONTRACTOR** to comply with all applicable reporting requirements or to implement lawfully served Wage and Earnings Assignment or Notices of Assignment, or the failure of any principal owner(s) of **CONTRACTOR** to comply with any Wage and Earnings Assignment or Notices of Assignment applicable to them personally, shall constitute a default by the **CONTRACTOR** under this Contract. Failure of **CONTRACTOR** or principal owner to cure

PSC-28. Living Wage Ordinance

CONTRACTOR shall comply with the Living Wage Ordinance, LAAC Section 10.37 *et seq.*, as amended from time to time. **CONTRACTOR** further agrees that it shall comply with federal law proscribing retaliation for union organizing. INSURANCE CONTRACTUAL REQUIREMENTS

CONTACT For additional information about compliance with City Insurance and Bond requirements, contact the Office of the City Administrative Officer, Risk Management at (213) 978-RISK (7475) or go online at www.lacity.org/cao/risk. The City approved Bond Assistance Program is available for those contractors who are unable to obtain the City-required performance bonds. A City approved insurance program may be available as a low-cost alternative for contractors who are unable to obtain City-required insurance.

CONTRACTUAL REQUIREMENTS

CONTRACTOR AGREES THAT:

1. Additional Insured/Loss Payee. The CITY must be included as an Additional Insured in applicable liability policies to cover the CITY'S liability arising out of the acts or omissions of the named insured. The CITY is to be named as an Additional Named Insured and a Loss Payee As Its Interests May Appear in property insurance in which the CITY has an interest, e.g., as a lien holder.

2. Notice of Cancellation. All required insurance will be maintained in full force for the duration of its business with the CITY. By ordinance, all required insurance must provide at least thirty (30) days' prior written notice (ten (10) days for non-payment of premium) directly to the CITY if your insurance company elects to cancel or materially reduce coverage or limits prior to the policy expiration date, for any reason except impairment of an aggregate limit due to prior claims.

3. Primary Coverage. CONTRACTOR will provide coverage that is primary with respect to any insurance or self-insurance of the CITY. The CITY'S program shall be excess of this insurance and non-contributing.

4. Modification of Coverage. The CITY reserves the right at any time during the term of this Contract to change the amounts and types of insurance required hereunder by giving CONTRACTOR ninety (90) days' advance written notice of such change. If such change should result in substantial additional cost to CONTRACTOR, the CITY agrees to negotiate additional compensation proportional to the increased benefit to the CITY.

5. Failure to Procure Insurance. All required insurance must be submitted and approved by the Office of the City Administrative Officer, Risk Management prior to the inception of any operations by CONTRACTOR.

CONTRACTOR'S failure to procure or maintain required insurance or a self-insurance program during the entire term of this Contract shall constitute a material breach of this Contract under which the CITY may immediately suspend or terminate this Contract or, at its discretion, procure or renew such insurance to protect the CITY'S interests and pay any and all premiums in connection therewith and recover all monies so paid from CONTRACTOR.

6. Workers' Compensation. By signing this Contract, CONTRACTOR hereby certifies that it is aware of the provisions of Section 3700 *et seq.*, of the California Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake

self-insurance in accordance with the provisions of that Code, and that it will comply with such provisions at all time during the performance of the work pursuant to this Contract.

7. California Licensee. All insurance must be provided by an insurer admitted to do business in California or written through a California-licensed surplus lines broker or through an insurer otherwise acceptable to the CITY. Non-admitted coverage must contain a **Service of Suit** clause in which the underwriters agree to submit as necessary to the jurisdiction of a California court in the event of a coverage dispute. Service of process for this purpose must be allowed upon an agent in California designated by the insurer or upon the California Insurance Commissioner.

8. Aggregate Limits/Impairment. If any of the required insurance coverages contain annual aggregate limits, CONTRACTOR must give the CITY written notice of any pending claim or lawsuit which will materially diminish the aggregate within thirty (30) days of knowledge of same. You must take appropriate steps to restore the impaired aggregates or provide replacement insurance protection within thirty (30) days of knowledge of same. The CITY has the option to specify the minimum acceptable aggregate limit for each line of coverage required. No substantial reductions in scope of coverage which may affect the CITY'S protection are allowed without the CITY'S prior written consent.

9. Commencement of Work. For purposes of insurance coverage only, this Contract will be deemed to have been executed immediately upon any party hereto taking any steps that can be considered to be in furtherance of or towards performance of this Contract. The requirements in this Section supersede all other sections and provisions of this Contract, including, but not limited to, PSC-3, to the extent that any other section or provision conflicts with or impairs the provisions of this Section.

I. INTRODUCTION

The City of Los Angeles Department of Recreation and Parks (RAP) requires As-Needed Park Facilities Consultant Services, which current staffing can only provide on a limited basis. This RFQ will provide RAP with additional resources to supplement current City forces and provide RAP's Planning, Construction and Maintenance Branch with a tool to meet current and future projects.

Firms interested in providing As-Needed Park Facilities Consultant Services are invited to submit a Statement of Qualifications (SOQ) to RAP in response to this Request for Qualifications (RFQ). RAP recognizes the continuing need to provide services and to maintain facilities and amenities at a high level of safety and in compliance with applicable laws and regulations. In anticipation of the 2028 Olympics, as-needed contracts for As-Needed Park Facilities Consultant Services will be crucial to protecting the public image of the world-class recreational and park facilities of the City of Los Angeles.

The purpose of this RFQ is to pre-select a qualified bench of contractors for As-Needed Park Facilities Consultant Services. This RFQ is the first of a two-phase procurement process, the second phase being the bid and award of as-needed individual projects and issuance of a Notice to Proceed (NTP) for each of those specific projects. Firms pre-qualified under this RFQ will be awarded a pre-qualified contract for a **three (3) year term** with an annual cap not to exceed **Three (3) Million Dollars (\$3,000,000)** with no guaranteed minimum compensation. RAP will evaluate each SOQ submitted in response to this RFQ based on evaluation criteria identified herein and will select Respondents it deems both responsive and qualified. RESPONDENT QUALIFICATIONS/EVALUATION

The intent of this RFQ is to produce a list of pre-qualified contractors that will be eligible to submit proposals for projects on an as-needed basis. RAP will evaluate the Responses received and make recommendations to the Board regarding the selected Respondents with whom to enter into contracts for the provision of as-needed services. RAP may recommend the execution of contracts with multiple Respondents for inclusion on the list. Contracts will be awarded based on the completeness of the Response and the Respondent's qualifications.

The Respondent's qualifications will be evaluated based on the minimum qualifications criteria below. All qualifications MUST be provided on Project Qualification Submission Form of this RFQ. Use additional Project Qualification Submission Forms as necessary. Respondents must meet minimum requirements in order to qualify for a contract award. If acceptable proof of qualifications is not provided, the Response will be considered non-responsive.

All Responses submitted will have a two-level review. The Level I review will focus on whether the Respondent submitted a completed SOQ package as required. All required forms will be reviewed for context and required signatures. If Respondent did not provide a completed SOQ package, they may be deemed non-responsive and may not proceed to a Level II review.

A Level II review will focus on the actual qualifications provided by the Respondent on the required minimum work experiences, membership of professional organization, professional liability insurance minimum levels and the presentation of the minimum projects performed as required in the qualification section. All projects submitted will be reviewed and if necessary, all references may be contacted to verify accuracy of information provided by the Respondent. If Respondent passes both the Level I and Level II review, the Respondent may be recommended to the Board for a three-year as-needed services, unless otherwise specified.

This is a pre-qualified contract. RAP may recommend multiple pre-qualified Respondents for this contract. All pre-qualified Respondents will compete for projects issued by RAP on an as-needed basis. The award of this contract will be based on the Respondent's qualifications, which will be evaluated based on the information provided in the Response.

REVIEW OF RESPONSES

After the due date, City staff will review each SOQ and MAY make recommendations to the Board at a date to be determined regarding the successful Respondents (if any) and the award of one or more as-needed contracts. The Respondent's history will be reviewed. If the City determines that additional information is required, the City will request it.

REJECTION OF RESPONSES

In accordance with Los Angeles City Charter section 371(c), "The City shall reserve the right to reject any and all bids or proposals and to waive any informality in the bid or proposal when to do so would

be to the advantage of the City. The City may also reject the bid or proposal of any bidder or proposer who has previously failed to timely and satisfactorily perform any contract with the City.”

RESPONDENT ERRORS/WITHDRAWAL OF RESPONSES

In general, a Respondent will not be released on account of errors. After Responses have been opened and declared, no Responses shall be withdrawn, except with the consent of the Board and only under the following conditions:

The Respondent sends within five (5) calendar days after the opening of the Responses, an email notice of a material error in the Response to the Board Secretary at the following address:

Board of Recreation and Park Commissioners
Attention: Board Secretary
rap.commissioners@lacity.org

In the notice, the Respondent:

- A. Specifies that the error results in a Response that is materially different than intended and describes in detail how the error occurred;
- B. Provides supporting documentation, including original material (should RAP require additional clarification, information and/or documentation, the Respondent must respond within two (2) working days after receiving notification from the Board Office);
- C. Acknowledges that should their request to withdraw be granted by the Board, it is with the understanding that the Board will not accept a Response from them for this contract should there be a need to re-issue this RFQ.

Errors involving substitution of the listed Subcontractors are detailed elsewhere in this RFQ under the section entitled Subletting and Subcontractors.

EXPEDITED AWARD AND EXECUTION OF CONTRACT

Due to RAP’s need to complete the contract work associated with this RFQ as expeditiously as possible, the Board has requested that all Respondents be advised of the following:

1. It is the intention of the Board to award an as-needed pre-qualified contract to the Respondent(s) who meet the minimum qualifications outlined in this document. All pre-qualified Respondents will compete for projects issued by RAP on an as-needed basis.
2. All Respondents are requested to cooperate to the fullest extent possible by submitting all required documentation, and any additional documentation requested by staff, as expeditiously as possible. Failure of any Respondent to comply with the submittal requirements as defined in this RFQ or to submit any required additional documentation by the date and time specified by staff may render the Response non-responsive, making the Respondent ineligible for any future contract awards under this RFQ.
3. It is the intention of the Board to award this contract as expeditiously as possible.
4. Any Respondent unable to meet the deadline requirements specified herein may be subject to rescission of the contract award by virtue of being declared non-responsive by the Board. At

minimum, failure to submit additional documentation requested upon award of contract will render the contractor non-compliant, which results as no contract will be awarded, no work will be performed, and no payments until all required forms are submitted.

PROTEST PROCEDURES

The purpose of these procedures is to provide a method for resolving, prior to award, protests regarding the award of contracts by the City, by and through its Board. These procedures are for the benefit of the City and are not intended to establish an administrative requirement that must be exhausted by the protesting Respondent prior to pursuing any legal remedy which may be available. For this reason, no Respondent shall have any right to due process, should the City fail to follow these procedures for any reason within its discretion. However, failure by a Respondent to follow the protest procedures as discussed below will create the presumption that any subsequent legal action in a court of competent jurisdiction is of no merit. These procedures will enable the Board to ascertain all of the facts necessary to make an informed decision regarding the award of the contract.

It is the policy of the Board that:

1. Officially signed and dated protests must be received prior to the Board's award of any contract in response to this RFQ.
2. Protests are transmitted via email to:

Board of Recreation and Park Commissioners
Attention: Board Secretary
rap.commissioners@lacity.org

3. If filing a protest against another Respondent, the Board will only consider such protests if it appears that either Respondent may have a substantial and reasonable prospect of receiving an award if the protest is denied or sustained.
4. Protests from agencies concerned with contract compliance matters may be considered by the Board beyond the protest period. These protests will receive due consideration if the agency submits the protest in a timely period and such protest affects a Respondent who appears to have a substantial and reasonable prospect of receiving an award if the protest is denied or accepted.
5. Protests meeting the above criteria will be evaluated by staff and any recommended actions will be presented in a written report to the Board. Protesting parties and firms protested against will be notified of the time and date that the written report will be discussed in a public session of the Board. Protesting parties and firms protested against will be given the opportunity to present their arguments at the public session.

Prime Contractors are requested to advise their potential Subcontractors of this protest period policy. In addition, protests against a Prime Contractor by a Subcontractor with a direct financial interest that may be adversely affected by the determination of the protest may be considered by the Board beyond the protest period.

CERTIFICATION OF COMPLIANCE WITH CHILD SUPPORT OBLIGATIONS

Failure to return the signed and completed certification with your response *will* result in your response being deemed non-responsive.

CHILD CARE POLICIES

This Contract is subject to the policy of the City of Los Angeles regarding City Child Care Policies and Vendor System as adopted by City Council. CONTRACTOR is required to complete the Child Care Declaration statement which is attached hereto as Form D and Form E.

- I. City Child Care Policy and Vendor System – On February 24, 1987, the City Council adopted the Child Care Policy for the City of Los Angeles. This policy acknowledges the importance of quality, affordable, accessible child care to the individual, family, work place and community. The City further recognizes that existing child care services and facilities are not adequate to meet current demand, and that such demand is increasing. Failure to address this critical unmet need will have serious, detrimental effects on the physical, social and economic life of Los Angeles. Thus, the City Child Care Policy was adopted, committing the City to use its resources as educator, employer, model and facilitator to act as a catalyst in expanding the supply of quality, affordable child care in Los Angeles.

The City Child Care Policy includes an item specifically designed to address the development and implementation of child care policies and practices by vendors, as follows:

THE CITY OF LOS ANGELES SHALL ENCOURAGE ALL ITS VENDORS TO ADOPT A STATED POLICY ON CHILD CARE. TO THE EXTENT PERMITTED BY LAW, VENDORS WITH STATED CHILD CARE POLICIES SHALL RECEIVE PREFERENCE IN CONTRACTING WITH THE CITY OF LOS ANGELES.

It is the goal of the City to promote and facilitate the establishment and implementation of child care policies and practices which address the critical unmet local need for quality, affordable child care services.

A company may, after a review and due consideration, determine that child care is not an employee need or that a child benefit/service cannot feasibly be offered by the company. In this case, a written policy statement to this effect would also qualify a company for the vendor preference.

- II. Request Child Care Policy Information from Vendors – All vendor applicants should complete the “Child Care Declaration Statement” form, declaring whether the business has a stated child care policy and/or offers any form of child care assistance to employees. Those vendors indicating they have a stated child care policy for employees should file a copy of said policy along with the “Declaration Form”.

- III. Definition of a Stated Child Care Policy** – A “Stated Child Care Policy” is a written statement of intent and/or attitude by an employer regarding the provision of child care assistance to employees.
- IV. Definitions of Child Care Assistance** – The following definitions apply to the various forms of child care assistance listed on the “Child Care Declaration Statement.”

INSTRUCTIONS:

The questionnaire must be completed, appropriately signed, and submitted with the proposal/bid/submission of qualification (Including All Pages Following).

CITY OF LOS ANGELES

CONTRACTOR RESPONSIBILITY ORDINANCE (Los Angeles Administrative Code Section 10.40 et seq.)

1. What is the Contractor Responsibility Ordinance?

The Contractor Responsibility Ordinance (CRO) requires that each department make a determination as to whether prospective contractors are responsible and capable of fully performing the work before being awarded a City contract. The Ordinance also requires prospective contractors to complete a Responsibility Questionnaire that will be posted on the internet for 14 calendar days for public review.

2. When was the Ordinance adopted?

The City Council adopted the CRO on November 21, 2000. Regulations implementing the Ordinance were adopted on June 19, 2001.

3. Who is responsible for the administration and enforcement of the Ordinance?

Three (3) departments were named as administrative agencies responsible for the administration of the CRO. Each Designated Administrative Agency (DAA) administers the Ordinance for a specific type of agreement. The three DAA's, the type of agreement each DAA is responsible for, and contact information for each DAA is provided in the table below.

Administrative Agency	Agreement Type	Contact Information
Public Works, BCA	Service	Russ Strazella (213) 580-5012
Public Works, BCA	Construction	Russ Struzella (213) 580-5012
General Services	Procurement	Raymond Richards (213) 485-4591

4. Are all service, procurement, and construction agreements subject to the CRO?

Generally, an agreement, including one processed as an Authorization for Expenditure (AFE) with a Letter of Agreement, is covered by the CRO if it meets one of the definitions below.

Service agreements: Agreements covered under the general category of a "service agreement" include:

- An agreement for \$25,000.00 or more and for at least three months in which a contractor will provide services to or for the City.
- An agreement for a lease or license of City property if the service to be performed on the property is something that City employees could perform.
- An agreement for the lease or license of City property that is in a location where a substantial number of the general public might visit.
- An agreement for the grant of City financial assistance for \$100,000 or more if the agreement is for the purpose of economic development or job growth. City financial assistance may also include loans if certain conditions are met. (Refer to Sec. 10.40.0(b) of the CRO.)

Purchase agreements: Purchase agreements are covered if they are for One Hundred Thousand Dollars (\$100,000.00) or more. Agreements to purchase garments are covered if they are for Twenty-Five Thousand Dollars (\$25,000.00) or more.

Construction agreements: All construction agreements are covered, regardless of amount or term.

5. When did the Ordinance become applicable?

The Ordinance is being applied to Invitations for Bids (IFB) (including Requests for Proposals, Requests for Bids and Requests for Qualifications, “sole-sourced” contracts, and any other procurement process) released to the public **on or after September 4, 2001**. An agreement entered into as a result of an IFB released prior to that date is not subject to the CRO unless it is amended after September 4, 2001, and the amended agreement meets the definitions stated in the answer to Question #4 above.

6. If an IFB is subject to the CRO, what must a department do?

The department must inform prospective bidders/proposers that the CRO is applicable to the IFB. The department must also include the appropriate Responsibility Questionnaire for bidders/proposers to fill out. Depending on the type of contract to be awarded, one of three Questionnaires may be included in the IFB: Service; Procurement; and Construction.

7. What is a Responsibility Questionnaire?

The Responsibility Questionnaire asks for information about the bidder/proposer: business organization or structure; financial resources and responsibility; performance history; prior disputes; and history in complying with laws. Before a department awards a contract, the department will consider information contained in the Questionnaire as part of the review of a bidder/proposer’s responsibility, as well as any information contained in the Office of Contract Compliance’s Contractor Evaluation database [<http://caodocs.ci.la.ca.us/ContEval/>] regarding the proposer’s prior performance on City contracts.

8. What must a bidder/proposer do when responding to an IFB?

If the IFB is subject to the CRO, the bidder/proposer must complete the Responsibility Questionnaire and return it to the City department with the proposal/bid/submission of qualification. If a bidder/proposer does not submit a completed Questionnaire with the proposal/bid/submission of qualification, the City department may consider the bidder/proposer to be non-responsive to the IFB and may disqualify the bidder/proposer from the rest of the IFB process.

9. Is a separate Questionnaire required for each IFB?

Unless the IFB is exempt, a separate Questionnaire must be submitted for each IFB to which a bidder/proposer responds.

10. What will the City do with the Questionnaire?

The department responsible for awarding the agreement will review the information contained in the submitted questionnaires, and if necessary, follow up with the bidder/proposer to clarify any information contained in the Questionnaire. The awarding authority will send the completed Questionnaires to the appropriate DAA. The DAA will post the Questionnaires on the City’s Bidder/Contractor Responsibility website: www.lacity.org/bidresp. This posting also applies to “sole-sourced” contracts, so the completed Questionnaire from a proposed “sole-sourced” contractor must be forwarded to the appropriate DAA for posting.

How long will the Questionnaires be posted?

The Questionnaires will be posted on the internet for fourteen (14) calendar days. Unless an exemption applies, a department cannot award an agreement until the posting requirement has been met.

11. What happens during the fourteen (14) calendar-day posting period?

The general public will be able to review the Questionnaires posted. If, during the fourteen (14) calendar-day posting period, the DAA receives information that calls into question a bidder/proposer's responsibility, the DAA will investigate the matter. In that case, no agreement may be awarded until the DAA finishes its investigation. Information obtained during the investigation will be provided to the department to consider in its determination of a bidder/proposer's responsibility.

12. How does a department know that the posting requirement has been met?

The awarding department should complete the top portion of the Posting Verification Form and forward it to the DAA along with the Questionnaires. The DAA will complete the bottom portion of the Posting Verification Form and return it to the department when the posting requirement has been met.

13. Are contract amendments subject to the CRO?

If an agreement is amended after September 4, 2001, and the amended agreement meets the definitions stated in the answer to Question #4 above, it is subject to the CRO. Contractors do not have to submit a Questionnaire; however, the CRO Contract Language must be incorporated into the amended agreement.

14. After the agreement is awarded, or the agreement is amended, what does the CRO require the contractor to do?

The CRO requires a contractor to:

- Comply with all federal, state, and local laws in the performance of the contract, including but not limited to laws regarding health and safety, labor and employment, wage and hours, and licensing laws, which affect employees.
- Notify the awarding authority within 30 calendar days after receiving notice that any governmental agency has started an investigation into violations of, or has found that the contractor has violated, any federal, state, or local law in the performance of the contract.

- When applicable, provide the awarding authority, within thirty (30) calendar days, updated responses to the Questionnaire if a change occurs that would affect the contractor's responsibility and ability to continue the agreement.
- Ensure that subcontractors working on the City agreement comply with all federal, state, and local laws in the performance of the agreement.
- Ensure that subcontractors working on the City agreement submit a Pledge of Compliance to comply with the CRO.

15. What happens if a contractor is found to be in violation of the Ordinance?

The DAA will notify the contractor that a violation has been found and give the contractor ten (10) calendar days to correct the violation. If the contractor fails to do so, the City may terminate the agreement and pursue all available contractual remedies. The City may also hold a non-responsibility hearing and debar the contractor from doing business with the City for five (5) years.

What about subcontractors?

Subcontractors are subject to the CRO, and the contractor must ensure that each of its subcontractors complies with the CRO. Subcontractors do not need to complete a Questionnaire, but they must submit to the awarding department a Pledge of Compliance with the Ordinance before they can start work on a City agreement.

16. What if a subcontractor is found to be in violation of the Ordinance?

Because the prime contractor is responsible for ensuring that all its subcontractors comply with the CRO, the sanctions listed in the answer to Question #16 may be applied to the prime contractor if the subcontractor does not correct the violation(s).

17. Are there any exemptions under the Ordinance?

Generally, two (2) categories of exemptions exist under the CRO:

(1) Agreements exempt from all the CRO requirements:

- Contracts with a governmental entity such as the United States of America, the State of California, a county, city or public agency of such entities, or a public or quasi-public corporation located therein and declared by law to have such status.
- Contracts for the investment of trust moneys or agreements relating to the management of trust assets.
- Banking contracts entered into by the Treasurer pursuant to California Government Code Section 53630 et seq.

(2) Agreements that are only exempt from the requirement that a bidder/proposer submit a Questionnaire. The contractor must still comply with all other CRO provisions.

- Agreements awarded on the basis of emergency circumstances when the awarding authority finds that the City would suffer a financial loss or that City operations would be adversely impacted. This exemption is subject to approval by the DAA.
- Agreements for goods or services that are proprietary or available from only one source. This exemption is subject to approval by the DAA.
- Agreements awarded under the authority of Charter Sections 371(e)(5), (6), (7) or (8). The awarding authority must certify in writing that the contract is entered into in compliance with the requirements of those Charter sections.

18. Where can I obtain a copy of the Contractor Responsibility Ordinance and the Rules and Regulations?

All CRO-related information and documents can be found on the CRO website: <http://www.lacity.org/bidresp>.

CITY OF LOS ANGELES

LIVING WAGE ORDINANCE

(Los Angeles Administrative Code Section 10.37 et seq.)

1. What is the Living Wage Ordinance?

The Living Wage Ordinance (LWO) requires employers who have agreements with the City to pay their employees at least a minimum “living wage” and to provide certain benefits. If the agreement is subject to the LWO, the employer must do the following:

- Pay employees working on the subject agreement a wage rate that is at least equal to the “living wage” rate. The “living wage” is adjusted annually and becomes effective July 1 of each year. Employers can obtain information about the living wage rate currently in effect by going to Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance (OCC) website at www.lacity.org/bca/OCCmain.html.
- Provide employees with at least twelve (12) paid days off per year for sick leave, vacation, or personal necessity; and at least ten (10) unpaid sick days off per year.
- Tell employees who make less than Twelve Dollars (\$12.00) per hour that they may qualify for the federal Earned Income Tax Credit and provide them with the forms required to apply for the credit.
- Cooperate with the City by providing access to the work site and to payroll and related documents so that the City can determine if the employer is complying with the LWO.
- Pledge to comply with federal laws prohibiting an employer from retaliating against employees for union organizing.
- Not retaliate against any employee who makes claims about non-compliance with the LWO.

2. When was the Ordinance adopted?

The LWO was adopted in May, 1997 and amended in January, 1999.

3. What types of agreements are subject to the Ordinance?

Generally, the LWO covers the following types of agreements:

- An agreement in an amount over Twenty-Five Thousand Dollars (\$25,000.00) and for at least three (3) months in which an employer will provide services to or for the City.
- An agreement for the lease or license of City property if the service being performed on the property is something that City employees would otherwise do.
- An agreement for the lease or license of City property that is in a location where a substantial number of the general public might visit.
- An agreement in which the City gives financial assistance for the purpose of promoting economic development or job growth.
- An agreement in which the City determines that applying the LWO would be in the best interest of the City.

4. Is an agreement subject to the LWO if it was entered into before May, 1997?

Agreements executed after May, 1997 are subject to the LWO. An agreement entered into before May 1997 may become subject to LWO if it is later amended or modified in order to add time or money to the original agreement.

5. Are there any requirements that would apply to an employer who does not have an agreement with City that is subject to the LWO?

All employers are required to comply with the LWO's prohibition against retaliation, even if the employer does not have an agreement with the City that is subject to the Ordinance.

6. Are all employees covered by the Ordinance?

Intentionally left blank 8/18/06

7. Are an employer's subcontractors subject to the requirements of the Ordinance?

A subcontractor may be covered by the Ordinance if the subcontractor performs work on the subject agreement. If so, the subcontractor must also comply with the requirements of the LWO, including all reporting requirements. The prime contractor is responsible for the making sure that the subcontractor complies with the LWO.

8. What happens if an employer is found to be in violation of the Ordinance?

Payments due may be withheld. Also, the employer may be deemed to be in material breach of the agreement. When that happens, the City may take the following steps:

- Terminate the agreement and pursue all available contractual remedies.
- Debar the employer from doing business with the City for three (3) years or until all penalties and restitution have been fully paid, whichever occurs last.
- Bring a lawsuit against the employer for all unpaid wages and health benefit premiums and/or seek a fine of up to One Hundred Dollars (\$100.00) for each day the violation remains uncorrected.

9. What if a subcontractor is found to be in violation of the Ordinance?

Because the prime contractor is responsible for making sure that all its subcontractors comply with the LWO, the sanctions listed in answer #8 may be applied to the prime contractor if the subcontractor does not correct the violation(s).

10. What can an employee do if an employer is in violation of the Ordinance?

The employee can submit a complaint to the Office Contract Compliance which will investigate the complaint. Also, the employee can bring his or her own lawsuit against the employer for:

- Back pay for failing to pay the correct wages or correct health benefit premiums.
- Reinstatement and back pay for retaliation.
- Triple the amount of the back pay that is owed if the violation was found by the court to be willful.

11. Are there any exemptions available under the Ordinance?

- Agreements for the purchase of goods, property, or the leasing of property (with City as the lessee).

- One-person contractors, lessees, licensees or financial assistance recipients who employ no workers.
- Agreements that involve other governmental entities.

12. Who is responsible for the administration and enforcement of the Ordinance?

The Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance, located at 1149 S. Broadway Street, Suite 300, Los Angeles, CA 90015. For additional information, please call (213) 847-2625, or go to the Office of Contract Compliance website at <http://bca.lacity.org>.

LIVING WAGE ORDINANCE STATUTORY EXEMPTIONS

Living Wage Ordinance (LWO) statutory exemptions are now divided into the following three categories:

1. Exemptions that do not require approval from the Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance (OCC).
2. Exemptions that do not require OCC approval but require a Contractor Certification of Exemption.
3. Exemptions that require submission of an Application for Exemption and OCC approval of the Application.

1. **The following exemptions do not require OCC approval or any Contractor Certification:** Departments only need to indicate the exemption in the appropriate category on the LWO Departmental Determination of Coverage Form.

- a. **Less than three (3) months OR less than Twenty-Five Thousand Dollars (\$25,000.00) (LAAC 10.37.1(j)).** Service contracts or Authority for Expenditures that do not meet these thresholds are not covered by the LWO.
- b. **Other governmental entities (LAAC 10.37.1(g)).** Agreements with other governmental entities such as Los Angeles County, the State of California, or the University of California, are not covered by the LWO. Subcontractors to these entities are also not covered by the LWO.
- c. **Purchase of goods, property, or the leasing of property, with the City as lessee (LAAC 10.37.1(j)).** Such contracts are categorically exempt from the LWO unless they include a service component that is more than just incidental (regular and recurring services is required). Examples of such categorically exempt contracts include contracts to purchase office supplies or to lease space to be occupied by City departments.
- d. **Construction contracts, not conforming to the definition of a service contract (LAAC 10.37.1(j)).** Such contracts are categorically exempt from the LWO. Examples include construction of buildings and infrastructure.
- e. **City financial assistance not meeting thresholds (LAAC 10.37.1(c)).** Agreements to provide a contractor with City financial assistance (which typically mean grants or loans provided at interest rates that are lower than the Applicable Federal Rate) are categorically exempt from the LWO if they meet both of the following:
 - (1) The assistance given in a twelve (12) month period is below One Million Dollars (\$1,000,000.00) AND less than One Hundred Thousand Dollars (\$100,000.00) per year.
 - (2) The assistance is not for economic development or job growth.
- f. **Business Improvement Districts (BID) (LWO Regulation #11).** Service agreements are categorically exempt from the LWO if the services are funded with the BID's assessment money collected by the City after the formation of the BID. Service contracts in which City money is used to hire firms to help in forming the BID remain subject to the LWO unless the contractor otherwise qualifies for an exemption.

2. **The following exemption categories do not require OCC approval, but the contractor must still submit a Contractor Certification of Exemption from Living Wage (OCC/LW-13).** No OCC approval is required for the exemption to be valid. However, the department must include the Contractor Certification of Exemption with the contract.

- a. **501(c)(3) Non-profit organizations (LAAC 10.37.1(g)):** Employers (contractors, subcontractors, financial assistance recipients) organized under IRS Code Section 501(c)(3) are exempt from the LWO if the hourly wage rate of the corporation's highest paid employee is less than eight times the hourly wage rate of the corporation's lowest paid worker. However, the exemption does not extend to Child Care Workers as defined in the LWO Rules and Regulations (an employee "whose work on an agreement involves the care or supervision of children twelve (12) years of age and under."). A copy of the IRS 501(c)(3) Exemption Letter will be required.

Form OCC/LW-10 (Rev. 6/09)

- b. **One-person contractors with no employees (LAAC 10.37.1(f)):** Contractors, lessees, licensees or financial assistance recipients who employ no workers are exempt from the LWO.

3. **The following exemption categories require submission of an application for exemption and OCC approval of the application to be valid.**
- a. **Collective bargaining agreements (CBA) that supersede the LWO (LAAC 10.37.12):** Contractors whose employees are covered by a CBA that supersedes the requirements of the LWO are not subject to the LWO. A copy of the CBA with the superseding language or a letter from the union indicating that the union has agreed to allow the CBA to supersede the LWO will be required to be submitted. Example: Labor agreement between parking contractor and a labor union with language that wages and benefits in the CBA shall supersede the LWO. Contractors must use the LWO Application for Non-Coverage or Exemption form (Form OCC/LW-10) and submit a copy of the CBA or a letter from the union.
 - b. **Occupational license (LAAC 10.37.1(f)):** Employees required to possess an occupational license in order to provide the services under the City agreement are not subject to the LWO. However, only the individual employees who are required to possess an occupational license are exempt. Employees who work on the City contract and are not required to possess an occupational license remain subject to the LWO. Example: Under California Labor Code Sections 7375 – 7380, a person must be licensed by the State of California in order to inspect and certify cranes and derricks used in lifting services. Contractors must use the LWO Application for Non-Coverage or Exemption form (Form OCC/LW-10) and submit a listing of the employees who possess occupational licenses and a copy of the licenses.
 - c. **Small business exemptions for Public Lessees/Licensees (LAAC 10.37.1(i)):** Small business that lease property from the City may apply for OCC approval for LWO exemption if the lessee or licensee:
(1) employs no more than a total of seven (7) employees; and (2) has annual gross revenues of less than Four Hundred Fifty-Four Thousand Sixteen Dollars (\$454,016.00) (adjusted July 1, 2009). This applies only to lessees with lease agreements executed after February 24, 2001, and to amendments executed after February 24, 2001 that add monies or extend term.  - d. **City financial assistance agreements that exceed the LWO monetary thresholds may apply for one of the exemptions below.** Applicants and departments should refer to Regulation #3(c) for the requirements and the documents that must be submitted with the LWO Application for Non-Coverage or Exemption (OCC/LW-10).
 - (1) The City financial assistance recipient (CFAR) is in its first year of operation (LAAC 10.37.1(c)).
 - (2) The CFAR employs fewer than five employees (LAAC 10.37.1(c)).

CITY OF LOS ANGELES
SERVICE CONTRACTOR WORKER RETENTION
ORDINANCE
(Los Angeles Administrative Code Section 10.36 et seq.)

1. What is the Service Contractor Worker Retention Ordinance?

The Service Contractor Worker Retention Ordinance (SCWRO), effective May, 1996, requires a successor contractor and its subcontractors to retain for a 90-day period certain employees who worked for the terminated contractor or its subcontractors for at least twelve (12) months. (See also Question #7 regarding which employees are covered.)

2. What is a successor contractor?

A successor contractor is one who has been awarded an agreement to provide services to or for the City that are similar to those that were provided under a recently terminated agreement.

3. What types of agreements are covered by the Ordinance?

The SCWRO covers the following types of agreements:

- For services in an amount over Twenty-Five Thousand Dollars (\$25,000.00) and for at least three (3) months.
- In which the primary purpose is to provide services to or for the City (including leases and licenses).
- In which the City provides financial assistance for the purpose of promoting economic development or job growth.

4. What does the Ordinance require a terminated contractor to do?

The SCWRO requires the terminated contractor to provide the awarding authority with the names, addresses, dates of hire, hourly wage, and job classes of each employee who worked on the City agreement for that terminated contractor or its subcontractor. The awarding authority will provide the information to the successor contractor.

5. What does the Ordinance require a successor contractor to do?

The Ordinance requires the successor contractor to:

- Offer employment and retain for a ninety (90)-day period the employees who worked for at least twelve (12) months for the terminated contractor or its subcontractors.
- Not discharge the employees retained under the SCWRO without cause during the ninety (90) - day period.
- Perform a written performance evaluation of each employee retained under the SCWRO at the end of the ninety (90)-day period.

6. Do the employees retained under the Ordinance receive any additional protection?

Employees retained under the SCWRO are employed under the terms and conditions of the successor contractor or as required by law. However, if the agreement the employees are working under is subject to Living Wage Ordinance (LWO), the employees must be paid the wage rate and be provided the benefits required by LWO.

7. Does the successor contractor have to retain all the prior contractor's employees?

The SCWRO covers only employees who meet all of the following requirements:

- Earn less than Fifteen Dollars (\$15.00) per hour.
- Primary job is in the City working on or under the City agreement.
- Worked for the terminated contractor or its subcontractor for the preceding twelve (12) months or longer.
- Not a managerial, supervisory, or confidential employee; or an employee required to possess an occupational license.

8. What if the successor contractor determines that fewer employees are required to provide the services than were required by the prior contractor?

The names of the affected employees will be placed in order by seniority within each job classification. The successor contractor is required to retain employees based on seniority. The names of employees not retained will be placed on a preferential hiring list from which the successor contractor must use for subsequent hires.

9. What happens if an employee is discharged in violation of the Ordinance?

The employee may bring a lawsuit against the successor contractor. The employee can also submit a complaint to the Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance which will investigate the complaint.

10. What if a contractor is found to be in violation of the Ordinance?

The City may terminate the agreement or pursue other legal remedies.

11. Who is responsible for administering and enforcing the Ordinance?

The Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance, located at 1149 S. Broadway St., Suite 300, Los Angeles, CA 90015. CHILD CARE POLICIES

Any Responders who have an employee need of child care and who have adopted a stated policy on child care shall receive preference in contracting with the City of Los Angeles. In order to determine which firms qualify for contract preference, all Respondents must complete and return with their response the Vendor Child Care Policy Program – Child Care Declaration Statement. Failure to return the signed and completed declaration (**must be signed in two [2] places**) may result in your response being deemed non-responsive.

INSTRUCTIONS:

1. Complete and sign the document in two (2) places.
2. Submit with the Response

CHILD CARE POLICIES

This Contract is subject to the policy of the City of Los Angeles regarding City Child Care Policies and Vendor System as adopted by City Council. CONTRACTOR is required to complete the Child Care Declaration statement which is attached hereto as Form D and Form E.

- I. City Child Care Policy and Vendor System – On February 24, 1987, the City Council adopted the Child Care Policy for the City of Los Angeles. This policy acknowledges the importance of quality, affordable, accessible child care to the individual, family, work place and community. The City further recognizes that existing child care services and facilities are not adequate to meet current demand, and that such demand is increasing. Failure to address this critical unmet need will have serious, detrimental effects on the physical, social and economic life of Los Angeles. Thus, the City Child Care Policy was adopted, committing the City to use its resources as educator, employer, model and facilitator to act as a catalyst in expanding the supply of quality, affordable child care in Los Angeles.

The City Child Care Policy includes an item specifically designed to address the development and implementation of child care policies and practices by vendors, as follows:

THE CITY OF LOS ANGELES SHALL ENCOURAGE ALL ITS VENDORS TO ADOPT A STATED POLICY ON CHILD CARE. TO THE EXTENT PERMITTED BY LAW, VENDORS WITH STATED CHILD CARE POLICIES SHALL RECEIVE PREFERENCE IN CONTRACTING WITH THE CITY OF LOS ANGELES.

It is the goal of the City to promote and facilitate the establishment and implementation of child care policies and practices which address the critical unmet local need for quality, affordable child care services.

A company may, after a review and due consideration, determine that child care is not an employee need or that a child benefit/service cannot feasibly be offered by the company. In this case, a written policy statement to this effect would also qualify a company for the vendor preference.

- II. Request Child Care Policy Information from Vendors – All vendor applicants should complete the “Child Care Declaration Statement” form, declaring whether the business has a stated child care policy and/or offers any form of child care assistance to employees. Those vendors indicating they have a stated child care policy for employees should file a copy of said policy along with the “Declaration Form”.
- III. Definition of a Stated Child Care Policy – A “Stated Child Care Policy” is a written statement of intent and/or attitude by an employer regarding the provision of child care assistance to employees.
- IV. Definitions of Child Care Assistance – The following definitions apply to the various forms of child care assistance listed on the “Child Care Declaration Statement.”
 - A. EMPLOYER SUBSIDIZED CHILD CARE CENTER(S) –
Group care for children (may range from twelve [12] to three hundred [300] children), in a licensed setting such as a preschool or other center, which may serve infants,

toddlers, preschoolers or school-age children; the center receives funds, goods and/or services from an employer which thus subsidizes part or all of the child care center operating costs, and employees of the subsidizing employer may enroll dependents in this center.

- B. **EMPLOYER SUBSIDIZED CHILD CARE HOME(S)**
Care for up to fourteen (14) children in the home of a licensed caregiver; may include one (1) home or a network of two (2) or more family day care homes, which receive funds, goods and/or services from an employer who thus subsidizes part of all of the home operating costs; employees of the subsidizing employer may enroll dependents in this care home.
- C. **CHILD CARE REIMBURSEMENT IN ADDITION TO OTHER BENEFITS** Employer helps employees pay for child care expenses by reimbursing the employee or his/her care provider for all or part of the cost of child care; allows employee to select the child care provider, or employer may designate providers or conditions (e.g. only reimburse licensed providers); such reimbursement is provided to the employee in addition to the other employee benefits.
- D. **CHILD CARE REIMBURSEMENT IN A FLEXIBLE BENEFIT PACKAGE** System which allows employees to make individual choices among a range of benefits provided by the employer (e.g., health, dental, retirement, etc.) and child care is included as a benefit choice.
- E. **PAID PARENTAL LEAVE**
Employees are given paid time off work due to childbirth or adoption, with a guaranteed return to the same or a comparable job and seniority status.
- F. **PURCHASE OF SERVICES FOR EMPLOYEES IN A COMMUNITY CHILD CARE PROGRAMS** Company contributes funds, goods and/or services to a child care program in the community (center or family day care home), for the purpose of preferential consideration for use by employees.
- G. **SALARY SET-ASIDE/FLEXIBLE SPENDING ACCOUNT FUNDED WITH EMPLOYEE SALARY DOLLARS**
Employer has set up a qualified Dependent Care Assistance Plan under IRS Section 125 and 129, which allows employees to designate an amount up to Five Thousand Dollars (\$5,000.00) per year to be set aside from their salaries to pay for dependent care; since such a salary set aside is not taxed, both employee and employer receive financial benefits.
- H. **CHILD CARE REFERRAL SERVICES**

CITY-APPROVED PROOF OF INSURANCE

Evidence of sufficient insurance as specified on the 146 Insurance Requirements Form (see Section II Compliance Package) must be provided and approved prior to contract execution. The selected Contractor must instruct their insurance broker or agent to submit the appropriate proof of insurance to the City by accessing KwikComply at <https://kwikcomply.org/>. Additional instructions and information on complying with City insurance requirements can be found at: <http://cao.lacity.org/risk>

CITY OF LOS ANGELES

INSTRUCTIONS AND INFORMATION ON COMPLYING WITH CITY INSURANCE REQUIREMENTS

(Share this information with your insurance agent or broker)

- 1. Agreement/Reference** All evidence of insurance should identify the nature of your business with the CITY. Clearly show any assigned number of a bid, contract, lease, permit, etc. or give the project name and the job site or street address to ensure that your submission will be properly credited. Provide the **types of coverage and minimum dollar amounts** specified on the Required Insurance and Minimum Limits sheet (Form Gen. 146) included in your CITY documents.
- 2. When to Submit** Normally, no work may begin until a CITY insurance certificate approval number (“CA number”) has been obtained, so insurance documents should be submitted as early as practicable. For **As-needed Contracts**, insurance need not be submitted until a specific job has been awarded. **Design Professionals** coverage for new construction work may be submitted simultaneously with final plans and drawings, but before construction commences.
- 3. Acceptable Evidence and Approval** Electronic submission is the required method of submitting your documents. **KwikComply** is the CITY’s online insurance compliance system and is designed to make the experience of submitting and retrieving insurance information quick and easy. The system is designed to be used by insurance brokers and agents as they submit client insurance certificates directly to the City. It uses the standard insurance industry form known as the **ACORD 25 Certificate of Liability Insurance** in electronic format. **KwikComply** advantages include standardized, universally accepted forms, paperless approval transactions (24 hours, 7 days per week), and security checks and balances. The easiest and quickest way to obtain approval of your insurance is to have your insurance broker or agent access **KwikComply** at <https://kwikcomply.org/> and follow the instructions to register and submit the appropriate proof of insurance on your behalf.

Contractor must provide City a thirty (30) day notice of cancellation (ten (10) days for non- payment of premium) AND an Additional Insured Endorsement naming the CITY an additional insured completed by your insurance company or its designee. If the policy includes an automatic or blanket additional insured endorsement, the Certificate must state the CITY is an automatic or blanket additional insured. An endorsement naming the CITY an Additional Named

Insured and Loss Payee as Its Interests May Appear is required on property policies. All evidence of insurance must be authorized by a person with authority to bind coverage, whether that is the authorized agent/broker or insurance underwriter.

Additional Insured Endorsements DO NOT apply to the following:

- Indication of compliance with statute, such as Workers' Compensation Law.
- Professional Liability insurance.

Verification of approved insurance and bonds may be obtained by checking **KwikComply**, the CITY's online insurance compliance system, at <https://kwikcomply.org/>.

4. **Renewal** When an existing policy is renewed, have your insurance broker or agent submit a new Acord 25 Certificate or edit the existing Acord 25 Certificate through **KwikComply** at <https://kwikcomply.org/>.

5. **Alternative Programs/Self-Insurance** Risk financing mechanisms such as Risk Retention Groups, Risk Purchasing Groups, off-shore carriers, captive insurance programs and self-insurance programs are subject to separate approval after the CITY has reviewed the relevant audited financial statements. To initiate a review of your program, you should complete the applicant's Declaration of Self Insurance form (<http://cao.lacity.org/risk/InsuranceForms.htm>) to the Office of the City Administrative Officer, Risk Management for consideration.

6. **General Liability** insurance covering your operations (and products, where applicable) is required whenever the CITY is at risk of third-party claims which may arise out of your work or your presence or special event on City premises. **Sexual Misconduct** coverage is a required coverage when the work performed involves minors. **Fire Legal Liability** is required for persons occupying a portion of CITY premises. Information on two CITY insurance programs, the SPARTA program, an optional source of low-cost insurance which meets the most minimum requirements, and the Special Events Liability Insurance Program, which provides liability coverage for short-term special events on CITY premises or streets, is available at (www.2sparta.com), or by calling (800) 420-0555.

7. **Automobile Liability** insurance is required only when vehicles are used in performing the work of your Contract or when they are driven off-road on CITY premises; it is not required for simple commuting unless CITY is paying mileage. However, compliance with California law requiring auto liability insurance is a contractual requirement.

8. **Errors and Omissions** coverage will be specified on a project-by-project basis if you are working as a licensed or other professional. The length of the claims discovery period required will vary with the circumstances of the individual job.

9. **Workers' Compensation and Employer's Liability** insurance are not required for single- person contractors. However, under state law these coverages (or a copy of the state's Consent To Self Insure) must be provided if you have any employees at any time during the period of this contract. Contractors with no employees must complete a Request for Waiver of Workers' Compensation Insurance Requirement (<http://cao.lacity.org/risk/InsuranceForms.htm>). **A Waiver of Subrogation** on the coverage is required only for jobs where your employees are working on CITY premises under hazardous conditions, e.g., uneven terrain, scaffolding, caustic chemicals, toxic materials, power tools, etc. The Waiver of Subrogation waives the insurer's right to recover (from the CITY) any workers' compensation paid to an injured employee of the contractor.

10. **Property** Insurance is required for persons having exclusive use of premises or equipment

owned or controlled by the CITY. **Builder's Risk/Course of Construction** is required during construction projects and should include building materials in transit and stored at the project site.

11. **Surety** coverage may be required to guarantee performance of work and payment to vendors and suppliers. A **Crime Policy** may be required to handle CITY funds or securities, and under certain other conditions. **Specialty coverages** may be needed for certain operations. For assistance in obtaining the CITY required bid, performance and payment surety bonds, please see the City of Los Angeles Contractor Development and Bond Assistance Program website address at <http://cao.lacity.org/risk/BondAssistanceProgram.pdf> or call (213) 258-3000 for more information.

12. **Cyber Liability & Privacy** coverage may be required to cover technology services or products for both liability and property losses that may result when a CITY contractor engages in various electronic activities, such as selling on the Internet or collecting data within its internal electronic network. Contractor's policies shall cover liability for a data breach in which the CITY employees' and/or CITY customers' confidential or personal information, such as but not limited to, Social Security or credit card information are exposed or stolen by a hacker or other criminal who has gained access to the CITY's or contractor's electronic network. The policies shall cover a variety of expenses associated with data breaches, including: notification costs, credit monitoring, costs to defend claims by state regulators, fines and penalties, and loss resulting from identity theft. The policies are required to cover liability arising from website media content, as well as property exposures from: (a) business interruption, (b) data loss/destruction, (c) computer fraud, (d) funds transfer loss, and (e) cyber extortion.

INSTRUCTIONS:

Respondents shall comply with the City insurance requirements in Form Gen 146 (see separate exhibit attached to RFQ, RFB, RFP) and have all insurance documents submitted and approved prior to execution of the contract. The Respondent must also comply with any additional insurance requirements that may be set forth in the RFQ, RFB, RFP.

ENDNOTES FOR LWO SUBCONTRACTOR INFORMATION FORM

¹ **Non-Profit 501(c)(3) Organizations:** A corporation claiming exemption under Section 10.37.1(g) of the LWO as a corporation organized under Section 501 (c)(3) of the United States Internal Revenue Code must provide the following additional documents in support of the application for exemption:

- (A) A copy of the most recent IRS letter indicating that the contractor has been recognized as a non-profit corporation organized under section 501 (c)(3) of the United States Internal Revenue Code.
- (B) An application for non-coverage or exemption, including the non-profit salary certification on the form referred to in Appendix A. The salary certification must list the salary of the corporation's chief executive officer (CEO), computed on an hourly basis, and the hourly wage rate of the lowest paid worker in the corporation. The salary of the CEO, when computed on an hourly basis, must be less than eight (8) times what the lowest paid worker is paid on an hourly basis. For purposes of this exemption, the "chief executive officer (CEO)" means the CEO of the 501(c)(3) corporation that entered into the agreement

² **One-Person Contractor:** A contractor may apply for exemption under Section 10.37.1(f) of the LWO if that contractor has no employees. The one-person contractor shall submit an application for non-coverage or exemption to the awarding authority on the form referred to in Appendix A with the appropriate one-person contractor certification. If, subsequent to the approval of the exemption application, the contractor hires any employees, the exemption is no longer valid. Any employee the contractor hires becomes covered by the LWO to the extent that the employee performs work on the City agreement. In such cases, the contractor shall notify the awarding authority of the change in circumstances and submit to the awarding authority all the necessary forms to comply with the LWO reporting requirements, including the employee and subcontractor information forms.

³ **Exemption by Collective Bargaining Agreement – LAAC 10.37.12:** An employer subject to provisions of the LWO may, by collective bargaining agreement (CBA), provide that the CBA, during its term, shall supersede the requirements of the LWO for those employees covered by the CBA. The provisions of the LWO should not be interpreted to require an employer to reduce the wages and benefits required by a collective bargaining agreement. All parties to the CBA must specifically waive in full or in part the benefits required by the LWO. An employer applying for this exemption shall submit a copy of the CBA. If the CBA does not specifically indicate that the LWO has been superseded, the employer shall submit written confirmation from the union representing the employees working on the agreement that the union and the employer have agreed to let the CBA supersede the LWO.

(A) **Provisional Exemption from LWO during negotiation of CBA:** An employer subject to the LWO may apply for Provisional Exemption from the LWO if the employer can document that: (1) the union and the employer are currently engaged in negotiations regarding the terms of the CBA; and (2) the issue of allowing the CBA to supersede the LWO has been proposed as an issue to be addressed during the negotiations. If granted, Provisional Exemption status is valid until the end of the negotiation process, including, if applicable, impasse resolution proceedings. During the negotiation process, the employer shall provide, upon request from the OCC, status reports on the progress of negotiations. At the end of the negotiation process, the employer shall provide the OCC with a copy of the final CBA to verify whether the LWO has been superseded, and the effective dates of the CBA.

- (i) If the final CBA signed by the employer and the union supersedes the LWO, the employer shall be considered to be exempt from the LWO's wage and benefits provisions for the time period covered by the effective dates of the superseding CBA. The employer remains subject to all applicable provisions of the LWO for the time period not covered by the superseding CBA. If the employer has not complied with the LWO requirements during the time period not covered by the superseding CBA, the employer shall be required to make retroactive corrections for any period of non-compliance, which may include making retroactive payments to affected employees for the relevant periods of non-compliance.
- (ii) If the final CBA signed by the employer and the union does not supersede the LWO, the employer shall be required to comply with all applicable LWO requirements, including the wage and benefits provisions. Compliance shall also be required retroactively to the date that the employer first became subject to the LWO. If necessary, the employer shall provide retroactive payments to affected employees for any time period during which the employer did not comply with the LWO.

⁴ **Occupational license - LAAC 10.37.1(f): Exemptions for Employees Requiring Occupational Licenses:** If an employer claims that the LWO does not apply to an employee pursuant to section 10.37.1(f) because an occupational license is required of the employee to perform the work, the employer shall submit to the awarding authority, along with the application for non-coverage or exemption, a list of the employees required to possess an occupational license, the type of occupational license required, and a copy of the occupational license itself. An exemption granted under this provision exempts only the employee who must possess an occupational license to perform work on the City agreement. If an occupational license is not required of an employee to perform the work, the employee remains covered by the LWO.

⁵ **Small Business Exemptions for Public Lessees and Licensees – LAAC 10.37.1(i):** A public lessee or licensee claiming exemption from the LWO under section 10.37.1(i) shall submit the small business application for exemption form referred to in

Appendix A along with supporting documentation to verify that it meets both of the following requirements:

The lessee's or licensee's gross revenues from all business(es) conducted on the City premises for the calendar year prior to the date of the application for exemption do not exceed the gross annual revenue amount set by the LWO in Section 10.37.1(i). That gross revenue amount shall be adjusted annually according to the requirements of the LWO. The gross revenue amount used in evaluating whether the lessee or licensee qualifies for this exemption shall be the gross revenue amount in effect at the time the OCC receives the application for exemption.

A public lessee or licensee beginning its first year of operation on a specific City property will have no records of gross annual revenue on the City property. Under such circumstances, the lessee or licensee may qualify for a small business exemption by submitting proof of its annual gross revenues for the last tax year prior to application no matter where the business was located, and by satisfying all other requirements pursuant to these regulations and the LWO.

A lessee or licensee beginning its first year of operation as a business will have no records of gross annual revenue. Under such circumstances, the lessee or licensee may qualify for a small business exemption by satisfying all other requirements pursuant to these regulations and the LWO.

(A) The lessee or licensee employs no more than seven (7) employees.

(i) For purposes of this exemption, a lessee or licensee shall be deemed to employ a worker if the worker is an employee of a company or entity that is owned or controlled by the lessee or licensee, regardless of where the company or entity is located; or if the worker is an employee of a company or entity that owns or controls the lessee or licensee, regardless of where the company or entity is located.

Whether the lessee or licensee meets the seven (7) employee limit provided for in Section 10.37.1(i) of the LWO shall be determined using the total number of workers employed by all companies or businesses which the lessee or licensee owns or controls, or which own or control the lessee or licensee. Control means that one company owns a controlling interest in another company.

(ii) If a business operated by the lessee or licensee is part of a chain of businesses, the total number of employees shall include all workers employed by the entire chain of businesses unless the business operated by the lessee or licensee is an independently owned and operated franchise.

(iii) A public lessee or licensee shall be deemed to employ no more than seven (7) employees if its entire workforce (inclusive of those employees falling within the guidelines stated in subsections (i) and (ii) immediately above) worked an average of no more than 1,214 hours per month for at least three-fourths of the time period that the revenue limitation provided for in section 10.37.1(i) is measured.

Until the OCC approves the application for exemption, the lessee or licensee shall be subject to the LWO and shall comply with its requirements. If the OCC approves the application, the lessee or licensee shall be exempt from the requirements of the LWO for a period of two years from the date of the approval. The exemption will expire two years from the date of approval, but may be renewable in two-year increments upon meeting the requirements.

⁶ **Governmental Entities – LAAC 10.37.1(g):** Agreements with governmental entities are exempt from the requirements of the LWO. If an agreement is exempt from the LWO because the contractor is a governmental entity, subcontractors performing work for the governmental entity on the agreement are also exempt.

LWO – OCC SMALL BUSINESS EXEMPTION APPLICATION

EXEMPTION THAT REQUIRES OCC APPROVAL
