Cabin Assignments

All CLDs are in Cabin 6. Names are listed on the cabin roster board with the first initial of the first name followed by the last name in order to maintain the secrecy of the CLDs real names.

Luggage

Be sure medication and trip money are NOT left in the camper's luggage. Luggage must be left at the luggage signs according to your child's cabin. Camp staff will load luggage onto the truck for transport into camp. Make sure that your CLD can carry her own luggage to her cabin from the drop off area. She may need to carry it up a flight of stairs. All items should be properly identified and secured. Please do not put breakable items into luggage. Only one duffle bag or suitcase per CLD.

Pets

Although we all love our pets and like to take them places with us, camp is not the place for your pets. Please leave all pets at home. **NO PETS ALLOWED AT CAMP.** People with pets will be asked to leave the facility immediately.

Meeting the counselors

You will find the CLD counselors at the Cabin 6 table. The parent or guardian must accompany the CLDs through check-in. We cannot be responsible for a CLD who is not properly checked-in. If a CLD is not properly checked in, you will need to return to camp to properly check your CLD in. Any special instructions regarding the CLD should be given to the counselor at this time.

This is the time when you have to turn in forms that were printed at home:

Waiver and Release Form

Authorized Signature Form

Confirmation Packet Form

Letter to My Child's Counselor

Letter to My Counselor

Request for Medication if needed

Medication Form if needed, will be turned in at health check.

Money or pre paid cards for the trip needs to be checked-in with the counselor. **Please do not mail or email any forms to camp before camp. Any forms mailed in before camp will be destroyed.** Camp Forms left at home can be provided by the counselors.

HEALTH CHECK

The health check is the portion of check-in that will take the longest.

A health screening is necessary to comply with the American Camp Association standards. We need a screening for each child attending camp and your child(ren) will have to go through this process **every week** they attend camp. The screening is done by a female member of our staff who has been trained and approved by the City of L.A. doctor.

A parent or guardian is required to stay with the CLD until the health screening is completed and they are released by an authorized staff member.

A review of the campers Health History Form will occur during the Health Check. Identification of any physical restrictions, limitations or allergic reactions must be listed on the Health History Form. Please be sure the Health History Form is complete, accurate, up-to-date and signed in blue or black ink by the parent or guardian. People other than guardians cannot fill out any paperwork for campers. We may have to base medical decisions on the information provided.

The Health History Form will be kept on file until the end of the summer. Please make sure to let staff know if there are any changes in your child's health, if she is registered for more than one week.

During the health screening your child will be checked for:

Temperature

Head lice easily (taken down hair styles preferred, unless they are protective hairstyles that allow for head check to be completed)

Abrasions

Eyes for jaundice

Ears for infection

Mouth for swelling of the tonsils

Hands for mites

Stomach for chicken pox

Feet for athlete's foot

Jumping jacks for physical ability

Any CLD with evidence of illness, injury or communicable conditions will not be permitted into camp. CLDs with temperature of 100.4 or higher oozing sores, pink eye, head lice, communicable conditions, cast, splint or wrap will not be allowed to attend camp until the condition is cleared by a licensed physician and we receive a written note from the licensed physician that the condition is absolutely not communicable to others.

If your CLD is in a cast, splint or wrap we will require a physician's note stating there are no restrictions or limitations on the camper's participation in the program. It is not our responsibility to provide wound care for existing conditions.

MEDICATION

If your CLD has any medications, you will check the medication in after the Health Screening. Many children take a variety of medications. Camp should be viewed just like school. CLDs who are on medication should remain on it while they are here. Camp is a new and exciting experience and children will be participating in activities all day. Please keep them on their medication and proper dosage while at camp. If possible, contact your doctor to check if the dosage is correct for a camp setting. Routine medications are distributed at breakfast, lunch, dinner or bedtime, unless otherwise directed on your Request for Medication Form.

Each prescription medication must meet the following criteria to stay at camp:

Be in its original container given by doctor or pharmacy.

Have the camper's name and dosage.

Dosage instructions must be in English.

Must not be expired.

Inhalers need to be in its original container(the box it comes in) with prescription.

CLD needs to administer their own medication (pills, inhalers, insulin, drops, injections, topical, patches, tablets, sprays, etc.)

Non-prescription / Over the counter medications or vitamins must also be in their original packaging and container with dosage, instructions and active and inactive ingredients written in English.

CAMP HOLLYWOODLAND DOES NOT HAVE A NURSE ON SITE.

CLDS AT CAMP

Daily Schedule

Our schedule varies daily, but a typical day starts around 7:30 a.m. when the CLDs wake-up and start to get ready. By 8:30 a.m. the CLDs are at the flag pole getting ready for breakfast. Morning activities start at 9:30 a.m. CLDs be assigned to cabins to join for a variety of activities each day based on theme. Activities of the week may include swimming, archery, climbing wall, crafts, science, dance or hiking just to name a few. After activities we have lunch and then off to rest hour. During rest hour, CLDs also visit cabins to play with the campers. In the afternoons we have swimming, canteen (snack) and a group activity. Then it's up to rest, and get ready for the evening. Dinner is at approximately 6:00 p.m. followed by the night activity, such as campfire, a carnival or a pool party. After that, it is back up to the cabins to decompress, shower, and get ready for an 11pm bedtime.

Activity Requirements

CLDs will participate in a wide variety of activities during their stay at camp. Activities will vary throughout the week. They can be all camp activities (i.e., carnivals), cabin activities (i.e., hikes) or individual choice (i.e., ropes course). There are CLD specific activities, and their placements in Individual Choice may be assigned.

Swimming Policies

Your CLDs summer camp experience will include opportunities to swim and participate in water play activities. Please send your CLD with a swimsuit that fits appropriately for water play and swimming. Please also send sunscreen (non- aerosol spray) for your CLD to use. All CLDs attending swimming pool based activities are required to pass a deep water swim test in order to swim in the deep end of the pool, use the diving board or diving platform. CLDs who do not want to take the swim test or do not pass will not be able to take advantage of these activities. These policies also extend to water theme parks.

Ropes Course Requirements

CLDs must be 5 feet tall and must fit into the harness properly to participate. CLDs are able to participate in the ropes course when possible, though it is not guaranteed. CLDs must have on appropriate clothing for ropes course. Please make sure CLD brings appropriate shoes to for climbing activities. Crocs or shoes similar to crocs will not be allowed for climbing wall or ropes course .

CAMPERS AT CAMP

Birthdays at Camp

Please do not send birthday care packages. CLDs will receive a birthday tiara and the campers and staff will sing happy birthday during meal time. If you want to drop off cupcakes or cake for your camper please keep in mind that it will have to be for the whole cabin (we have campers that have food restrictions). Items have to be store bought NOT homemade. Your camper may not get to have their cake or cupcakes the day of their birthday because of the activities that we have scheduled for the week (i.e., field trips).

Camper Illness

If a CLD becomes mildly ill, displaying only symptoms that may be cured by a little rest, she will be taken to our on-site first aid room where she can rest. However, she will sleep in her cabin at night. If the CLD displays flu-like symptoms, a mask will be given and we will also monitor her. If CLD maintains a fever for an extended period of time, has a fever that reaches 100.4 degrees or displays symptoms of a communicable condition, the parent or guardian will be called to take her home. She is not considered well enough to return until the condition is cleared, and we receive a written note from child's physician.

Insurance Coverage

We provide insurance coverage for accidents, but not for illness. If a CLD receives a minor injury, such as a cut or scrape, we will perform routine first aid and the parent or guardian may be informed by the end of the getaway. If a CLD receives an injury requiring professional first aid, the parent/guardian or other adult listed on the health card will be notified. The CLD will be taken by van to Hollywood Presbyterian Medical Center or Glendale Memorial or closest hospital while on field trip. If the CLD receives a life-threatening injury, we will contact 911 first, then notify parent, guardian or other adult listed on the health form.

Trip Day Supervision

On trip day all CLDs will be assigned to be with a group, and each group will be under the supervision of an assigned counselor at all times. Half of the day they will be assigned to join a younger cabin's counselor/group, and half of the day they will be assigned to a CLD group under a CLD counselor. Additional support and supervision is provided during the trip. While at an amusement park or other location that has rides, CLDs are encouraged to experience the ride, but not forced. In the event that your CLD has a fear of rides, please let the counselor know when checking them in. This will allow the counselors to have the CLD put in a group of like-minded youth for a better trip experience.

Trip Day - Spending Money

Any spending money a CLD is permitted to have is for TRIP DAY ONLY. Spending money for trips can be cash or prepaid visa card and in an envelope sealed with the CLDs first initial of her first name, and full last name clearly printed on the front with the amount written on the outside as well. Give the sealed envelope to the CLD counselor during check-in and record the amount on the sign-in sheet. Prepaid Visa Cards are highly preferred for Knott's Berry Farm and Soak City as they have gone to a cashless system. Prepaid Visa Cards will be placed in an envelope with your CLD's name. The envelope will be secured with the rest of the cabins' and locked away in the camp safe. On trip day, the envelopes will be given back to the CLDs. We recommend at least \$20-\$30 for spending money that a CLD can put towards personal items and souvenirs. All regular meals are provided during trip days therefore meal money is not required or advised.

IMPORTANT PARENT INFORMATION

First Time/Homesick CLDs

If your CLD is a first time camper, becoming homesick is normal. At Camp Hollywoodland, we encourage all our campers to make the most of their week and to enjoy their vacation. We work very hard to try and help homesick campers work through and overcome their homesickness. Most homesickness is mild and will subside in the first day or two.

We have a few tips to help make your CLD's transition from home to camp easier.

- Never tell your CLD she can call home.
- Never tell your CLD that you will come and visit.
- Never tell your CLD that she will be with a cabin buddy.
- Never tell your CLD that you will pick them up early.
- Never tell your CLD that you will come and pick them up early if they don't like camp.
- Write letters to your CLD . Receiving mail reminds CLD they are loved. However, be careful of phrases like "we wish you were here" or "can't wait until you get home." Instead try phrases like "hope you are having an amazing time" or "can't wait to hear about all the amazing things you are doing." Remember mail takes a few days to get to and from camp.
- A family photo is also helpful.
- Pack a secret note in their luggage, saying how proud you are of them, etc.

Contact with CLDs During Camp

We realize that your CLD is important to you. When you choose to give your CLD a camping experience and entrust us with your CLD 's care, we request that you observe the following rules to enhance that experience:

- Please clear your CLD's calendar (i.e. doctor appointments, sporting events).
- Please do not call the camp requesting to speak with a CLD. If there is an emergency, please contact Camp Hollywoodland and address the issue with the camp director or office staff.

Visitors

Parents, relatives and friends are NOT permitted to visit CLDs at camp or on trips for several reasons:

- It disrupts the camp routine
- It takes away from the leadership position of the counselor
- It adds to the potential homesickness of all campers (including yours).

If there is a problem, the Director or a designated staff member will call on behalf of the CLD.

If a CLD does use the telephone, it is an indication that she is not ready to handle the camp experience and may be sent home.

Parents or guardians who show up at camp without an appointment (to drop a required item off) will be asked to take their CLD home immediately to help ensure the safety of all campers.

IMPORTANT PARENT INFORMATION

Phone calls

Camp is a place for CLDs to develop independence. In order to support the campers in that growth process, we do not permit CLDs to make or receive calls. Please do not ask your CLD to call you. CLDs should leave cell phones at home as they will not be allowed at camp. If a CLD brings a cellphone to camp, or smart watch being used as a cellphone, it will be confiscated and kept in the safe in the Office returned to parent or guardian at check-out.

Electronics at camp

Camp Hollywoodland is an electronics free camp. We are offering your CLDs a week away filled with fun activities, special events and trips. With all we have to offer we feel there is very little need or time for electronics. Cell phones are not allowed at camp (even if just for the camera). If a CLD has a cell phone at camp it will be confiscated, put in our safe and returned at the end of the session to the parents upon check-out. We will allow CLDs to have mp3 players to be used only in the cabin and only by the camper who brought it. We ask that CLDs do not share music. These mp3 players will need to come charged as there will be no place for your CLDs to charge them once at camp. If an mp3 player is brought outside of the cabin, we will confiscate it, put it in the safe and return it to the parent upon check-out. Do not send CLDs to camp with smart watches.

No Outs and Ins

There are no Outs- and- Ins at camp. You cannot pick up your CLD and bring her back to camp.

Bed Wetting

Sometimes when a CLD is away from home and/or in an unfamiliar environment they experience bedwetting. If your child wets the bed while at camp, she will be provided with a sleeping bag for the remainder of that night only. We will contact you in the morning to bring clean bedding before that evening.

If your CLD has a history of frequent bedwetting, do not be embarrassed to tell the counselor during check-in and to include it in your "Letter to My Child's Counselor". This information provided ahead of time will allow counselors the opportunity to take precautions before and after bedtime to make your CLD's camp experience more enjoyable. Please also pack enough "overnight" garments for the entire week (4 nights). CLDs do not have access to laundry facilities and cannot clean wet or soiled sleeping bags or bedding.

IMPORTANT PARENT INFORMATION

There are specific times during each day that we allow pick-up. Generally, this is during our rest hours, when CLDs are not near the building and you will not be a distraction. We do not allow evening pick-ups. Please be aware that the gates to the park surrounding us are locked at sunset so there can be no pick-ups after that time. No early pick-ups are permitted prior to breakfast. In order to maintain the security and safety of all campers and staff, we have specific times during the day and week that you will be permitted to arrive on grounds to pick-up your child.

This helps ensure that your child is picked up by the proper person. If CLDs are not signed out correctly, parents will be asked to return to camp to fill-out the proper forms. Failure to return or sign-out properly will result in cancellation of any additional CLD registration for the summer and any future program registration. Please advise anyone picking up your child of our policies.

We provide an Authorized Signature Form for parents or guardians to list names and phone number of others who may sign-in or sign-out your CLD. When filling out the Authorized signature form please make sure that you add people that are available to come and pick-up your CLD in the event that you are not able to.

THINGS TO KNOW

Cellphones, coffee etc.

You will be cellphone/coffee free for the entire week. Prepare for that as you must. You CAN do this. If a cellphone is found, it will be put in the office until check-out. Smart watches cannot be used as cell-phones or those will also be confiscated. Bring your sketch book, crossword puzzles, your friendship bracelet beads etc -- keep it simple and come be a kid again.

Fit check

Please make sure you are packing clothing that allows you to actively participate. CLDs are asked to participate in ALL activities, so bottoms, tops, bathing suits, and shoes should be conducive to active play. Please avoid string bikinis, long earrings/jewelry as they can be accidentally torn off while playing. We ask that all CLDs participate in the dress-ups, so please come prepared to do so. A watch is not required, but very helpful (as would be a back pack or bag, writing utensils, a reusable water bottle, and a sheet to put on your mattress under your sleeping bag #protip).

Mental preparedness

So you know, this program runs differently than the younger campers schedule. You spend rest hours, swim time, activities, canteens, and some of trip day with the campers. You're able to create your identity here as you like. You will be the role-models for all of the younger campers, so we ask that you show up ready to play, to shine, to laugh, to try new things, and to throw yourself into camp. And of course, as always, you're expected to keep it camp-appropriate.

CLD NAMES

The CLDs choose man-made CLD names. These names must be approved by Amoeba before you start using them. Please arrive with a list of at least 5 names you are considering.
