Open House

at Camp Hollywoodland

3200 Canyon Drive, La, CA, 90068

This is a great time for parents and girls to visit camp and to get an idea of what Camp Hollywoodland is all about. Come meet the staff and have a tour of the grounds. This is a wonderful opportunity to have all of your questions answered about camp and to learn more about our fall programs!

Last summer's families can also use this opportunity to come pick up their Camp Hollywoodland towels if they have yet to!
