

An Oral Hygiene Instruction with UCLA Student Doctors

Join us for an engaging and informative talk all about YOUR oral health! Whether you have questions about caring for your dentures, wondering how often they should be replaced, or thinking about getting new ones — we're here to help. We'll also discuss dental implants, gum health, and what to watch out for to keep your smile feeling comfortable and healthy. Throughout the lecture, you'll have plenty of chances to ask questions and chat with us directly. We're passionate about helping you maintain the best oral health possible, and we can't wait to meet you!

We hope to see you there!
