NOTES: Calendar is subject to change. Please send any recommendations or suggestions to gerardo.valdez@lacity.org. Homework Help available daily 4-8 PM.

What is Teen Club?	Teen Club offers youth the opportunity a clean and safe space to be able to engage with other teens in their community and create friendships and explore new opportunities.
What is FNET (Friday Night Extreme Teens)?	FNET is just like any other teen club night except that that we try to offer something more special or unique to participants. This may include a movie night or a special activity to unwind before the weekend. Refreshments are also provided close to the end of the night to all our participants.
Who can join?	Anyone ages 11-17. Teen Club is free to join and there are no monthly membership fees or subscriptions. Field trip and activities are also free.
Where are we located?	Most of the time inside of the Teen Room. Sometimes inside the Gym or kitchen. You can always inquire with Staff.
What time is teen club?	Teen Club is Monday-Friday (4 PM-8 PM) . Friday Night Extreme Teens (FNET) is Fridays (4 PM-8 PM)
Why should I join?	CLASS Parks builds strong, resilient, responsible youth who have a healthy vision of their future. We are catalysts for positive change in communities, and leaders in offering quality opportunities for youth, their families, and the neighborhoods in which they live.
