

Griffith Park Boys Camp

Camper Leadership Training Program (CLT)

The Camper Leadership Training Program is our advanced camper program for those who want to learn the basic skills of a Residential Camp Counselor. Our CLT Program is designed for youth ages 15-17. CLT's will gain valuable hands-on experience by assisting staff in program areas and spending time with campers under the guidance of a Cabin Leader. CLT's will develop leadership skills while having a fun experience at camp.

Applicants complete a Camper Leadership Training Program application and go through our interview process. We ask that applicants – not parents handle all aspects of the application and interview process. Once we receive your application you will receive a confirmation email with more information. We will contact you to schedule an interview. If you are selected, we will work with you to assign you to a week of your choice. Session payment is due after the interview and selection process. We do not offer this program every week.
