

Applications Due by Friday, April 25, 2025

Our **Counselor in Training (CIT) Program** offers an enriching opportunity for teens to develop leadership skills, build confidence, and gain hands-on experience in a fun and supportive environment. CITs will work directly with children, assist with activities, and lead group projects, all while fostering responsibility and teamwork. Through mentorship from experienced camp directors and lead counselors, participants will develop valuable skills that can be applied to future jobs and personal growth. This program is an excellent way for teens to make a positive impact in their community while preparing for future success.
